

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
61	1	33.8	University Administration: President's Office – Intercollegiate Athletics	Purdue Football vs. Notre Dame - John Purdue Club events, including the following attendees: Cheerleaders, Gmlets, football players and staff, fans storming field and climbing uprights, tailgating scenes, Purdue Marching Band, evening dinner on the field, Jim Ackerman, Joe Rudolph, David Bridges, Susan Kisinger, Ed Elliott, John Knot, Jim Risk, Pat Moore, Matt Huffine, Karen and Norm Blake, Phyllis and Ron Lindley, Tom Bryan, Kendall Smith, Max Cowan, Bob Moberg, William "Tim" Griffin,	1997	Photographs	146						
61	2	multiple	multiple categories listed on backs of contact sheets	Various people and events: Corporate Adoption presentations, Kelly Tiede, CFS gold outing (Chappell's/Elliott's), MSHA Group Photo at Job Fair, Richard Dauch gift presentation, Dean's advisory council, German Project, Physic funfest, PC back to class, Dr. Beering and Gerhard Schroder talking over grad school agreement in Washington DC Watergate Hotel, Fred Ford oil painting copy, Women's Volleyball v Butler, Football v Iowa, Men's Basketball Mackey Magic, Men's Cross Country, Women's Basketball Mackey Magic, Women's Cross Country, PMU window renovation, PC Homecoming Event, P.C. reception, VIC - tour guides, PC Annual Dinner, Black Cultural Center welcome festival/dinner, PMO Octoberfest, 12 unlabeled sheets (official gatherings, cheerleaders, sports gatherings, football, Purdue Pete, John Purdue Club), Small animal doctors (anesthesia, equine surgery)	1998	Contact Sheets	54						
61	3	33.8	University Administration: President's Office – Intercollegiate Athletics	Men's Basketball vs. Indiana University	1998-99 season	Photographs	21						
			Academic Schools: Krannert School	Lisa Hartkopf and Abbott Laboratories			35 photos and 10 strips of negatives, 23 photos and 7 strips of negatives						
61	4	16			n.d.	Photographs and their negatives							
61	5	33	University Administration: President's Office	Martin Jischke portraits	n.d.	Photographs	10						
61	6	70	Publications	Office of Publications (OOP) student campus photos	n.d.	Photographs	79						
61	7	58	University Groups: Alumni	Astronauts: Eugene Cernan at book signing, Astro Friday, including: Jack and Jane Arnold, Dick Graham (?), Janice Voss, Bill Nagel, Bob Stecker, Tom Carroll, Neil Armstrong, Steve Schneider, David Filmer, Loren Shriver	1999	Photographs	29						
61	8	58	University Groups: Alumni	1999 Astronaut reunion, including Steven Beering, Dick Schwartz, Alex King, Guy Gardner	1999	Photographs	27						
61	9	58	University Groups: Alumni	1999 Astronaut reunion dinner, including Robert Stecker, Gordon Mallett, Beth Casper, Joe Di Girolamo, Gene Cernan, and photos of place settings and table decorations	1999	Photographs	29						
61	10	58	University Groups: Alumni	1999 Astronaut reunion dinner, include photos of dinner and settings, chef and kitchen staff, Don Roach	1999	Photographs	19						
61	11	58	University Groups: Alumni	1999 Astronaut reunion dinner, Entrance of guests of honor, including David Wolf and Tammy Kruse, unidentified couple, Mark and Lynne Brown, Gary and Susan Payton, Charlie and Susan Walker, Jerry and Karen Ross, Guy Gardner, Richard Covey, John and Brenda Blaha, Martha Chaffee, Gregory and Carol Harbaugh, Gene Cernan, Neil Armstrong, Steven and Jane Beering, Ben and Maxine Miller	1999	Photographs	21						
61	12	58	University Groups: Alumni	1999 Astronaut reunion dinner, including group photos of astronauts, Steven and Jane Beering, Donna Beering, Don Williams, Ben and Maxine Miller, Bill Cordier, Kathy Hatke	1999	Photographs	20						
61	13	58	University Groups: Alumni	1999 Astronaut reunion dinner, including Steven and Jane Beering, John Casper, Kathy Hatke,	1999	Photographs	17						
61	14	58	University Groups: Alumni	1999 Astronaut reunion, including Lawrence (Larry) Preo, Tom Carroll, Bob Meeker, David Wolf and Tammy Kruse, Mr. Bender, Elaine Rains, Mike Piggott, Virginia Callison	1999	Photographs	23						
61	15	58	University Groups: Alumni	1999 Astronaut reunion, including group photos of astronauts, Brian Breed and the Glee Club, Steven Beering, Ben and Maxine Miller, candid photos of astronauts	1999	Photographs	18						
61	16	58	University Groups: Alumni	1999 Astronaut reunion, football game	1999	Photographs	55						
61	17	16	Academic Schools: Krannert School	Student internships (mostly with hi-tech companies), including Nichole Foster, Jeremy Beeker, Darren Anderson, Doug, Riche Patterson	1995	Photographs and some negatives	33 photos and 6 strips of negatives						
62	1	60	General Miscellaneous/Historical	Carolyn Boiarsky 1995, G. Marc Loudon, Janice M. Lauer, David S. Moore, Fenwick V. English, Class of 1950 Lecture Hall dedication photos, Christmas around the world photos 1954/55, George Ade and John McCutcheon group photo, James Henry Smart portrait, Demolition of building, Purdue Marching Band c 1907, Thomas Ho portrait, 1905 Purdue Football team	c 1883 - c 1990	Photographs	16						
62	2	70	Publications	Publications clip art, Clips of graphics for publication materials, Purdue University Seals	late 1980s - early 1990s	Graphics and Photographs	34						
62	3	60	General Miscellaneous/Historical	34, Buildings - recovered 1897 gateways, construction of Mollenkopf Athletic Center, sketch of plan for 1897 Purdue Gate installation, original gates in snow, original gates, 8 pages removed from Debris yearbooks with views of campus, gates, and buildings, including Fowler Hall, photocopy of gate picture, to-do list regarding gates project, section of pages removed from Debris yearbook, photocopy from local newspaper about gate, sketch of new gate, photo of 1897 gate installation, photocopy of gate picture	1907-1991	Photographs, sketches, mixed materials	23						
62	4	60	General Miscellaneous/Historical	Document reproductions, newsclippings, and negatives related to the 1897 entrance gateway and its recovery	1890-1991	Negatives and Other Documents	9 sections of records, including a pack of 5 strips of negatives						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
62	5	60	General Miscellaneous/Historical	34, Buildings - Photocopy of 1997 letter to President Smart, 12 photos of newly re-installed 1897 gates (1991), 3 photos of recovered 1897 gateways, 1 photo of class of 1930 columns, Purdue Memorial Union renovations, Mollenkopf Athletic Center construction 1990, card with old gates image, early campus print, Construction of Memorial Union, Construction of Mackey Arena, Union food display, Jeff Portman, Steven Beering, Engineering buildings photo, Original State Street Entrance, Fowler Hall in winter, Fowler Hall, photocopy of photo of entrance to campus, Wetherill Chemistry Lab 1988, Purdue Chef with students, Agriculture students scoring corn 1926	1897, 1926-1991	Photographs and Mixed Materials	33						
62	6	60	General Miscellaneous/Historical	34, Buildings - Frederick Hovde; Animal Science students and staff with calf; Home Economics building entrance; mid-1900s female lab students with microscopes; mid-1900s male students cooking; Beginning of Ross-Ade stadium construction 20 June 1924; U.S. Experiment Station at Purdue; train engine going through campus; 1927 construction; Construction of Original Fowler Hall; smokestack and men with bicycles; "Schenectady No. 8" train engine; Purdue Farm Horse Barn and Beef Cattle Barn; Noble E. Kizer; Fowler Hall; 31 May 1966 construction of Mackey Arena; construction aerial view; construction site; Poultry Science Building 11 March 1957; construction next to Stuart Lab of Applied Physics; State Street campus sidewalk scene looking east circa 1930 including streetcar; Engineering buildings circa 1970s	1924-1970	Photographs							
62	7	60	General Miscellaneous/Historical	34, Buildings - 1964 construction of Grant St. parking garage, Engineering Buildings aerial view circa 1970, Proposal note for building of Mathematical Sciences Building in 1967, Jet Propulsion Center/Rocket Laboratories with Purdue Airport in background mid-1900s, Poultry Science Building architectural sketches, campus buildings, Fowler Hall in snow 1950, Engineering Science, several pictures of new Home Economics Administration building (Stone Hall) 1956, campus scene, Student Housing Men 1963, Men's Residence Hall construction 1957, Electrical Engineering building 1956, Aerial view of Co-Rec including pool (and swimmers) and residence halls 1961, Chemistry Lab Annex (old Electrical Engineering building) demolition 1950, Fowler Hall	1950-1970	Photographs							
62	8	60	General Miscellaneous/Historical	34, Buildings - New Purdue North Central (Library-Student-Faculty) building at 1974, New Pharmacy building architecture sketch 1966, Nursery School (Family Housing) Child Development Family Life building 1962, parking garage sketch 1964, Calumet building (PNC) Library-Student -Faculty Building sketch 1968-69, architectural sketch of building (possibly Fort Wayne), Construction of Student Health Center and Hospital building construction 1959, Construction of Purdue Power Plant 1960, Purdue Indianapolis Campus Hoosier Athletic Club (renamed American Athletic Club in 1943), Flexible Liason Laboratory Purdue Industrial Research Park 1966, Alpha Gamma Rho house 1931, Men's residence hall construction 1962, Delta Upsilon house 1931, Phi Kappa Tau house 1931, Delta Upsilon house, photo caption text for opening of residence halls, Delta Chi house, Kappa Delta Rho house, Phi Kappa Tau, Theta Xi house	1937-1974	Photographs							
62	9	60	General Miscellaneous/Historical	34, Buildings - Fire at Sigma Kappa, Acacia fraternity house, Pi Kappa Phi 1931, Phi Kappa Psi, Graduate Student Housing construction 1962, Grad House II construction 1967, Married Student Housing courts view from park 1967, caption description for Graduate House and Krannert construction, Krannert building construction 1963, Graduate Student Housing 1963, McClure Park TPRC building 1964, Rocket Fuel Laboratory of School of Aeronautics (Jet Propulsion Center), caption for new Graduate House, architect sketch of Purdue Indianapolis Center 1961, Purdue North Central campus building sketch 1964, New North Central (Westville) campus building 1967, regional campus building, Purdue North Central (Calumet) Tech Lab architecture sketch 1967, North Central Regional Campus site 1967, Architect sketch of new Electrical Technology building (Calumet campus) 1968-69, Aerial photo of North Central campus (Westville) 1967, architect sketch of Purdue Calumet Center (Hammond)	1931-1967	Photographs							
62	10	60	General Miscellaneous/Historical	34, Buildings - House, new Women's Residence (Earhart) Hall 1964, Men's Residence Halls 1961, Agriculture Building, Krannert Graduate School of Industrial Management 1968, Purdue Indianapolis Campus (Maratt Center?) Hoosier Athletic Club (renamed American Athletic Club in 1943), Agricultural Hall woodcut 1883 copy, Station Laboratory 1891 woodcut copy, Purdue Armory south entrance circa 1930s, Electrical Engineering building 1969, Main Library, Kappa Alpha Lambda, early landscape photo of campus buildings, old Main Library circa 1920-30s, Main Library and Fowler Hall, copy of early campus buildings including Fowler Hall construction, old Kappa Kappa Gamma house in which Mike Golden lived (before becoming a sorority?) and now (1955) a co-op house, first Electrical building (built before 1890), the Electrical Building 1888-89, Phi Sigma ? house 1931, Class of 1930 gate pillars, Fowler House	1883-1969	Photographs							
62	11	60	General Miscellaneous/Historical	34, Buildings - Ladies Hall, sketch of Ladies Hall circa 1930, Barker Memorial Center in Michigan City 1963, Aerial of Recreational Gym and Pool with Swimmers 1961	1930-1963	Photographs							
62	12	60	General Miscellaneous/Historical	34, Buildings - Early campus scene of entrance walk to Ross-Ade Stadium, Ladies Hall, old power plant circa 1930s, Campus entrance at Northwestern Ave with new Class of 1930 pillars, Biology Stanley Coulter Building, Construction of Chemistry Building, Memorial Gymnasium, central campus scenes	c 1930 - c 1970	Photographs							
81	1	11	Academic Schools: Agriculture	Miscellaneous Agriculture photos, including b/w Tom Turpin portrait with insect, color photos of 1993 Bug Bowl participants, Arwin Polovonska (sp?), 4 negatives of tractor plowing field	1993	Photographs, Negatives	20						
81	2	37.5	University Administration: University Relations and University Development - President's Council	5 pieces of notes regarding trip and prints, 21 contact sheets from January 1987 Southwest trip, 3 copies of poem from trip, 21 contact sheets (each with negatives taped to the back), 11 b/w prints from trip (including Pres. Steven and Jane Beering, Alberta Stewart, Jim Everett, Adele Bennett, and Glee Club)	1987	Handwritten notes, Contact Sheets, Negatives, Photographs	83						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
81	3	37.5	University Administration: University Relations and University Development – President's Council	Denver, Phoenix, San Francisco trip (President's Council's West Coast 1988 trip), 14 contact sheets (each with negatives taped to back), and 14 other contact sheets, including Pres. Steven and Jane Beering, Glee Club, city skylines, architecture, monuments, seascapes, travel interiors, travel candids	1988	Contact Sheets and Negatives	42						
81	4	37.5	University Administration: University Relations and University Development – President's Council	Seattle trip (President's Council 1987), including Pres. Steven and Jane Beering, John and Flo Ann Easton, Tamara Morse, John and Marge Sheets, Glee Club, Spirit of Seattle cruise tour, architecture, city skyline, bay, rivers, bridges, football game (Purdue v. Washington Huskies), seascapes, travel interiors, travel candids	1987	Contact Sheets	17						
81	5	37.5	University Administration: University Relations and University Development – President's Council	Seattle trip (President's Council 1987), including Pres. Steven and Jane Beering, John and Flo Ann Easton, Tamara Morse, John and Marge Sheets, Glee Club, Spirit of Seattle cruise tour, architecture, city skyline, bay, rivers, bridges, football game (Purdue v. Washington Huskies), seascapes, travel interiors, travel candids	1987	Contact Sheets and Negatives	17						
81	6	60	General Miscellaneous/Historical	Centennial Heavilon Hall shot, Centennial Outdoor Shot, Centennial Library shot (negatives and slides), Ronald Reagan campus visit photos from campus tour and speeches (some include captions taped to back, including robot gift)	1987	Contact Sheets, Photographs, slides	9 negative strips, 2 slides, 9 5x7 photos, 10 contact sheets, 12 8x10 photos						
81	7	58	University Groups: Alumni	Orville Redenbacher portraits	n.d.	Photographs	4						
81	8	58	University Groups: Alumni	NASA - John Vellinger, shuttle launches, chicken and egg incubators	n.d.	Photographs	34						
81	9	60	General Miscellaneous/Historical	Ronald Reagan campus visit (pack of negatives taped to back of each contact sheet), appear to be duplicates of contact sheets in folder 6 above, including E.T. (robot) gift, Sally Combs, Solberg, Gipper, Gadget, Emshausen, Bob English, Silva, Student in sweater, Jun, McNelly, TKEs, Sautter	1987	Photographs and Contact Sheets	10						
81	10	12	Academic Schools: Engineering	Miscellaneous engineering scenes, Henry Yang portrait outside, Purdue New Service Photo caption (does not match any photos in folder), Purdue Electrical Engineering Centennial logo	1988, 1989, 1993	Photographs, Negatives, paper	4 photos, 3 negatives, 2 papers						
81	11	14	Academic Schools: Consumer and Family Sciences	Jo Wolff Matchett (alumni donor head and shoulder), CFS icons for publication (3 pages of negatives), CFS students in lab	1992, 1995, 1999	Negatives	21						
81	12	15E	Academic Schools: School of Education	Teachers being observed while working with children	n.d.	Photographs	2						
81	13	16	Academic Schools: Krannert School	Miscellaneous Krannert, Chaturvedi, Patrick Duparcq at computer with students (Erica Hill), Dennis Weidenaar portraits, Woodall, J. with students in lab (Todd Hastings (blue), Dallas Morissette (white), Joe VanMeter (suit), Gabriel Odeh (green), Melanie Bostrom, Krannert Masters, TTI lab (M. Thursby w/disc), HP lab (A. Iyer, J. Ward with students), "War" games (Alok Chaturvedi - class project), Catherine Daily portrait, Krannert Distance Ed, Charlene Sullivan (2 photographs, 20 sleeves of negatives, 1 contact sheet)	1994, 1996 - 2001	Photographs, Negatives, Contact sheet	23						
81	14	17	Academic Schools: Pharmacy, Nursing and Health Sciences	Craig Marcus teaching w/multi-media	1994	Negatives	8						
81	15	17.2	Academic Schools: Pharmacy, Nursing and Health Sciences - Nursing	Lisa Martin (Pediatric RN) weighs infant	n.d.	Photographs	1						
81	16	18	Academic Schools: Science	Chemobile (Purdue Chemistry van), Sally McKenzie (UV lightbox, DNA research), Traveling Physics Funfest photos at Happy Hollow Elementary, Cyber 205 wire guts, portrait	undated, 1991	Photographs and Negatives	14 photographs, 7 negatives						
81	17	18	Academic Schools: Science	Michael G. Rossman portrait, Rossman at computer, Rossman with researchers, Rhinovirus, Antibody molecules, Pavlovirus, computer imaging and models, Purdue News Photo captions	1989, 1993, 1996	Slides, Photographs, paper	4 slides, 10 loose photographs, 23 photographs in envelope						
81	18	19	Academic Schools: Veterinary Medicine	Veterinary medicine, Makki Beckett and Becky Thayer with dog, Continuum sculpture clay model and desk top version	undated, 1997, 2000	Photographs and Negatives	1 photograph, 9 negative strips						
81	19	22.1	Continuing Education, Regional Campuses: Regional Campuses - Calumet	Photograph of Purdue University Calumet Classroom Office Building (Hammond, Indiana) sketch rendering	n.d.	Photographs	1						
81	20	33	University Administration: President's Office	Westwood in snow (sunny day many angles), Card of Westwood in snow with note to Dave from [unreadable], John Purdue Statue at Courthouse, Commencement (University) Hall Noblex panoramas, Purdue Christmas Card negative, Westwood (New addition / Fall leaves / panorama), President Martin and Patty Jischke with Purdue gear and Steve Beering, Beering with student and others, Steven Beering with Ronald Reagan, Steven and Jane Beering awarding Purdue Plate, Beering with Dave and Jo Mies [sp?], Jane Beering awarded honorary degree (2000), Steven Beering awarded honorary degree (2000), Commencement candid in president's office	1996, 1997, 2000	Photographs, Negatives, paper	12 sleeves of negatives, 1 card with note, 27 photographs						
81	21	33.1	University Administration: President's Office – Commencement	Commencement processions on Engineering Mall (likely 1990s due to date of fountain construction and later installment of protective steel cylinder)	c 1989-2001	Photographs	6						
81	22	33.8	University Administration: President's Office – Intercollegiate Athletics	Miscellaneous athletics, including Boilermaker Express, full Ross-Ade Stadium on game day, Purdue beats Notre Dame students on goal posts and field, full Mackey Arena Purdue versus IU, Crew rowing on Wabash, Football Coach Joe Tiller in Mackey Arena, Purdue football action versus IU Chris Dillio, Glenn Robinson dunks, Basketball Coach Gene Keady courtside, football victory and fireworks, Purdue Cheerleaders, Glenn Robinson with trophies, Purdue football candid, basketball action, Football crowd carries torn down goal post, football action and crowd	c 1990 - 2010	Photographs	35						
81	23	34	University Administration: Campus Development and Physical Plant (Buildings)	Negatives of miscellaneous buildings, including Hovde Hall, the Engineering fountain, Engineering fountain details, ivy on University Hall and 2 artistic photos of Beering Hall	1993-1994	Photographs and Negatives	25 negatives, 2 photographs						
81	24	34	University Administration: Campus Development and Physical Plant (Buildings)	Various Bell Tower photographs, including 1995 construction and placing of Heavilon Bells	1995	Photographs	18 photos						
81	25	34	University Administration: Campus Development and Physical Plant (Buildings)	Demolition of Heating Plant North Smokestack, including photos of workers, aerial photos of campus and area from the smokestack, fisheye lens photos, including Purdue News Service photographer David Umberger (many duplicate photos)	1992	Photographs and Contact Sheets	37 photos and 16 contact sheets						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
81	26	34	University Administration: Campus Development and Physical Plant (Buildings)	Purdue Mall Water Sculpture (Engineering Fountain) and Bell Tower (dates from building of Bell Tower but prior to addition of metal cylinder to fountain)	c 1995-2001	Photographs	4						
81	27	34	University Administration: Campus Development and Physical Plant (Buildings)	Engineering Mall seasonal photos, including Engineering Fountain and Hovde Hall	c 1990s	Photographs	4						
81	28	34	University Administration: Campus Development and Physical Plant (Buildings)	6 copies of Class of 1894 Fountain (aka John Purdue Memorial Fountain) and University Hall photo (Date from refurbishment of fountain) and one negative of University Hall	c 1996-97	Photographs and Negatives	6 photos, 1 negative						
81	29	34	University Administration: Campus Development and Physical Plant (Buildings)	Exterior photos of PMU in spring and winter, mostly south side, including the Reflecting Pool (removed 2004), and Concrete Purdue University sign	c 2000-2004	Photographs	24						
81	30	34	University Administration: Campus Development and Physical Plant (Buildings)	Elliott Hall of Music (photo of exterior, negatives of interior)	1990	Photographs and Negatives	1 photo, 5 negatives						
81	31	34x	University Administration: Campus Development and Physical Plant (Buildings) – Campus Scenes	Miscellaneous campus scenes, including fish eye photos from smokestack demolition (1992), Stone Lions Fountain, reinstalled Loeb Fountain (1993), Beering Hall (1993), University Hall, Engineering Fountain, Bell Tower (1995), Purdue Golf Course, negatives of Hovde Hall and Engineering Mall and Phoenix Sundial (before vandalism), aerial landscapes of Engineering Mall, Engineering Fountain, Hovde Hall, negatives of golfer on golf course, large aerial landscape photo of Engineering Mall to Ross-Ade Stadium, 3 pages of negatives of Boilermaker Special on Engineering Mall with Reamer Club members	1989-1998	Photographs and Negatives	30 photos, 25 negatives						
81	32	34xa	University Administration: Campus Development and Physical Plant (Buildings) – Campus Scenes – Aerials	Aerial photos of campus and West Lafayette, looking north from Harrison Street, lower aerials looking north from Wood Street, negatives include aerials from 2-5000 feet, 5-8000 feet, 8-10000 feet, 11000 feet, and aerial views of campus at sunset and sunrise	1994-1998	Photographs and Negatives	3 photos, 14 pages of negatives						
81	33	34xs	University Administration: Campus Development and Physical Plant (Buildings) – Campus Scenes – Student Scenes	Miscellaneous negatives, including Drew Brees portraits on football field and with computer; Engineering Mall and Windsor Hall with students; Bell Tower and Academy park Noblex panoramas; Engineering Mall with students walking; Noblex panoramas of 1997 Engineering fountain and Hovde columns and water sculpture and Knoy, Windsor Hall and PMU SweetShop and students looking at art in STEW Gallery; Extra frames with email, belltower, scod, football stands, Noblex panoramas of Campus from garage, STEW, PMU, U-Hall, Co-Rec Pool and swimmers, Chem-E, Hort garden, Football/taigaiting/Slayter, Football vs (Wisconsin) Badgers stadium views, Marching Band Stadium, and Surveyor/U-Hall, and 5 photos of Michael Damson working at computer	1997	Negatives and Photographs	14 pages of negatives, 5 photos						
81	34	37	University Administration: University Relations and University Development	1997 photo prints of Purdue News Home Page Website screenshots, Jim and Lois Ackerman, negatives of Charles Bonstra (class of 1944 president), Boilermaker special color rendering, Purdue seal impression, Purdue seal embossed on watercolor paper for Pres Report, Still life for flagship brochure (student, faculty, info access, research, history), Still life Purdue sweatshirt, Vision 21 "Purdue Family" group shot PMU Great Hall, and negatives for eight portrait of individuals	1991-1997	Photographs and Negatives	6 photographs, 12 pages of negatives, 2 packets of negatives, and 8 individual negatives						
81	35	40	Student Affairs: Student Services	Dean of Women group portraits, including Dorothy Stratton, Barbara Cook, Helen Schleman, Betty Nelson, and Beverly Stone, Zissis, Ewing, Elsbury, Sullivan (dated from www.collections.lib.purdue.edu/womens-archives/quest-for-equality)	1987	Photographs	5						
81	36	48	Student Affairs: Student Activities	US President Ronald Reagan 1987 campus visit, including Univ. Pres. Steven Beering, speech at Mackey Arena, gift of robot, arrival on Air Force One, presidential motorcade, greeting students, Purdue Marching Band, Silver Twins, Goldusters Dance team, public spectators, volunteers, Ellen Cox, Annette Lescault, balloons, trumpeter	1987	Photographs	88						
81	37	48	Student Affairs: Student Activities	Packet of Negatives labeled "Pan-Am Outs" includes empty PPS envelope and 15 sleeve packs of negatives from the 1987 XPan-American Games in Indianapolis including cycling at Major Taylor Velodrome, wrestling, cycling, biking in Brown County State Park, and gymnastics at the Hoosier Dome; 3 pages of negatives of International group of students from International Center, 8 photos of 1993 Grand Prix racing and winner Ian Smith and mother Cindy Smith	1987, 1993	Photographs and Negatives	15 sleeve pack of negatives, 3 pages of negatives, 8 photos

H. Sun, Shu Shein-Siu, Charles Tsai, Anna Pao Sohmen, Peter Ho, Kwan Chi Hin, Wai Kee-Neng.	1997	Photographs	17					
82	2	37.3	University Administration: University Relations and University Development - Office of Publications	Marketing and Media Subject Categories and Slide Year Color Codes, Purdue News Service Staff Assignments, Purdue University Boilermaker Special University Mascot logo and Purdue University Seal slicks and official use packets	1994	Other Documents	20					
82	3	58	University Groups: Alumni	5 yellow and brown photo packets with negatives, including NASA Kennedy Space Center Crawlerway at night with Discovery Shuttle, Discovery Shuttle at rollback, sunset, and remote photos, Beth and John, Vehicle Assembly Building, Project Mercury monument and Journalism Plaque, tour, and bald eagles, VIP launch site for March 13, 1989, Discover launch of John Vellinger's "Chix in Space" including John Vellinger with friends and journalists, and walkout	1989	Photographs and Negatives	334 photos and accompanying negatives					
82	4	58	University Groups: Alumni	4 yellow and brown photo packets with negatives, including John Vellinger candling eggs, Hangar L, the fly-in, Vellinger preparing eggs for launch, NASA Discovery astronauts including John Blaha (MSAAE 1966), Jim Buchli, Mike Coats, James Bagian, and Robert Springer, news conference, Beth and John, Beth and Craig, and NASA Shuttle Atlantis Rollout	1989	Photographs and Negatives	273 photos and accompanying negatives					
82	5	60	Miscellaneous: General Miscellaneous/Historical	10 blue photo packets from Ronald Reagan 1987 campus visit, including speech at Mackey Arena, motorcade, autographing sign, greeting students, arrival on Air Force One, speech to community, tour of NSF Engineering Research Center, CIMT lab demonstration, presentation of Purdue E/T robot, greeting crowd, volunteers, TKE students	1987	Photographs	10 packs of photos					
82	6	60	Miscellaneous: General Miscellaneous/Historical	Portrait of Moira Gunn; negative strip of veterinarian woman with cat; 1922 campus plan map; detail of 1959 sculptural relief on Purdue Memorial Center (now Stewart Center); photo of George Spitzer with George Ade and David Ross at 1924 dedication of Ross-Ade Stadium; slides of Purdue flag and stadium crowd; Boilermaker Special #5; Purdue Pete 1995; detail of Engineering Mall and fountain; details of Engineering Fountain; details of Hovde columns; Purdue Memorial Union sculptural relief carvings; nighttime of Engineering Mall; top of new Clock Tower; rendering of New Clock Tower; Hovde Hall; University Hall spire; Clock tower	1922 - 2000	Photographs, Negatives, Slides, Other Documents	28 photos, 1 negative, 2 slides, 3 photocopies					
82	7	34x	University Administration: Campus Development and Physical Plant (Buildings) – Campus Scenes	Negatives of Beering Hall and surrounding Founders Park and and Engineering Mall, email correspondence regarding Schleman Hall window decor, negatives of commencement parade through Engineering Mall, panoramic photos of University Hall, PMU, Stewart, LAEB [now Beering Hall]; Loeb Fountain and Founders Park; Engineering Mall and Hovde columns; booklet of printer-generated photos of Engineering and Loeb fountains	1997-2007	Negatives and Other Documents	5 pages of negatives, 4 pages, 1 booklet					
82	8	34xs	University Administration: Campus Development and Physical Plant (Buildings) – Campus Scenes – Student Scenes	Slides of Academy Park and Bell Tower at sunset; young students at Pude School of Education AR; slides of students at Slayter Center, Loeb fountain, tours of campus,	1995-2000	Photographs and Slides	7 slides, 3 photos					
82	9	70	Miscellaneous: Publications	"CEM Brochure, 10/97" - aerial photo of Gateway Center in Los Angeles (1995)	1997	Photographs	1					

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
82	10	60	Miscellaneous: General Miscellaneous/Historical	Miscellaneous photos, including minority recruitment for Science; computer model of dna (with negative), other computer model science photos; First female faculty Botany Professor Sarah Oren portrait photocopy; Department of Science Faculty, 1901, including Edward Mahin, Joseph Arthur, William Test, Percy Evans, Katherine Golden, Stanley Coulter, James Ransom, and Severance Burrage; aerial photo of Engineering Mall; Stone Lions Fountain and Stanly Coulter Hall 1969; Bio-Physicist Dr. Seymour Benzer in 1961; Life Science Building [now Lilly Hall of Life Sciences]; Biochemist Professor H. Edwin Umbarger 1965; Original Chemistry Building [known as Education Building after 1930, demolished 1990, replaced by LAEB/Beering Hall]; Chemistry Building 1968; Nobel Prize winner Chemistry Professor Herbert Brown; 1932 Chemistry lab; students in early computer lab; early women in computer science; Memorial Gymnasium 1986; New Mathematical Sciences building Fall 1967; computer cables; Geophysics Professor Gunnar Kullerud; science photos; Recitation Building and Old Physics Building c 1930s; students in typing lab; New Physics Building 1956; female student with weight; Control Board of Synchrotron in Physics Building c 1952; Fred Howde with R.M. Whaley and Robert Whaley at 1952 installation of synchrotron; Professor Shanti Gupta 1984; early printing machine c 1953; students in (math?) classroom c 1950s; science and chemistry photos; First Head of Computer Science Professor Samuel Conte c 1980s; Science diagrams; Professor Samuel N. Postlethwait; building entrance; Postlethwait and student perhaps in auto-tutorial lab c 1970; worker at machine; various biology and chemistry photos including human rhinovirus; Student in biology class Science Grad Lab late 1920s - early 1930s; students in science lab c 1970s; Memorial Gymnasium Building 1968; Dean William Ayres 1951; Large science lab machine; Biology Professor Michael Rossman with biologic structure; Michael Rossman with human rhinovirus computer model c 1985; large physics machine (accelerator?) in 1953; Dr. Herbert Brown in lab; Dr. Robert Benkeser in Chemistry lab 1954; scientists in old lab; old chemistry lab at Purdue; Dr. E. Fischbach 1989; Chemistry professor 1992; Dr. Samuel Conte in Computing Center c 1980s; Lecture Hall 1955; Professor Gunnar Kullerud with Moon Rocks; Students and faculty working in various labs; The following was noted on this folder: "18, Science: from original folder: "Science History Jack Horowitz pix pulled for 125th ann. In Perspective--then returned to files" "	late 1920s - 1980s	Photographs	69 photos, 1 negative, 1 photocopy						
82	11	34	University Administration: Campus Development and Physical Plant (Buildings)	Negatives of Technology Building (aka Knoy Hall), photos of Technology Building (Knoy Hall) construction 1985; graphic rendering of Technology Building	1985	Photographs and Negatives	7 photos, 2 negatives						
82	12	60	Miscellaneous: General Miscellaneous/Historical	From original folder "25th Anniversary Photos:" students in old lab classroom (c 1940s-1950s?); Dr. Richard Hansen keynote speaker for Technology Anniversary to audience in Fowler Hall October 27, 1989; Photo of tours of Newly Opened Technology Building October 28, 1989	c 1940s-50s, 1989	Photographs, Contact Sheets	1 photo, 2 contact sheets						
82	13	60	Miscellaneous: General Miscellaneous/Historical	Campus buildings and scenes, athletics, students and researchers in labs, including portraits of George McNelly 1964, Alfred Drew 1965, John Lisack, John Hadley, and Sam Marks; "Old Black and Whites" Married Student Housing [aka Experimental Rental Housing] (Federal Public Housing Authority) 1978; Old Heavilon Hall and Tower c 1940; pencil sketches of Old Heavilon Hall and Tower; portrait of quarterback Bob Griese 1965-66; portrait of Leroy Keyes 1967-68; 3 negative strips of aerials of Purdue campus; Professor Gil Rainey (Head of Electrical Engineering Technology) in autotutorial lab after 1978 with Tim Hagan, Jeff Ehram, Todd Wheeler; Systems Analysis Laboratory for Computer Technology c 1980s; Professor Michael Golden 1905; Professor W. F. M. Goss c 1900; students and faculty in workshop c 1900; students or faculty in Practical Mechanics workshop c 1900; Prof. James Hoffman's Engineering Design Drawing Room 1904; Engineering Building Drawing Room 1912; 1930s welding shop; Indianapolis Regional Campus Building; Technology Building (Knoy Hall) rendering c 1984; students in lab c 1980s	c 1900- c 1980s	Photographs and Negatives	26 photos and 2 negative strips						
82	14	10	Academic Schools: School of Technology	Faculty, students, researchers, buildings, including Jock Kasur, Dean Don Gentry, and Chuck Edwards of CIMT; students in lab; man in lab; female student in CIMT lab; students and faculty in labs, Electrical Engineering Technology labs; School of Technology faculty portraits; Jeff Whitten; staff in meeting (or non-traditional education); students and faculty in BCT (Building and Construction Technology) lab; student and professor at computer; men looking at plans at construction site; female student in technology lab; New Technology Building (Knoy Hall) in 1987; Building and Construction Technology staff on work site; machine equipment in lab; student with airplane turbine; Faculty with early tablet (NCR System 3130) c 1991; students with Rube Goldberg machine (The Toast Masters); Students with faculty in computer lab; Student and faculty in aviation hangar; male and female at computer terminal; portrait of Don Rose (Technology)	c 1960s - c 1990s	Photographs	35						
82	15	10.1	Academic Schools: School of Technology - Aviation Technology	Students, faculty and researchers in labs, with airplanes in hangars, and flight simulators, including Tony Jones flying as pilot	c 1990s	Photographs	15						
82	16	10.2	Academic Schools: School of Technology - Construction Technology	On-site construction technology candids	1994	Photographs	4						
82	17	10.6	Academic Schools: School of Technology - Technical Graphics	Promotional photo of student with faculty at computer terminal	c 1990s	Photographs	1						
82	18	60	Miscellaneous: General Miscellaneous/Historical	Negative of Partrick Duparcq portrait (Kramert); photo of new "Division of Applied Technology" faculty, including Charles Hutton, Gilbert Rainey, Helen Johnson, Charles Lawshe, James Maris, and Denver Sams; Regional campus buildings, including Purdue North Central rendering 1964; Fort Wayne Regional Campus Building; awning space; model of building; Calumet Regional Campus Building; Indianapolis Regional Campus Building; School of Technology remodeling specifications; Building Construction Technology on site; aviation lab; Harold Montgomery (sp?) in Cast Metals Lab and Foundry late 1960s; Electronic pad; students in 707 cockpit simulator including Joel Franks, Mitch Grundman, Mike Hopp, and Mike Butler from class of 1980.	1960s-1980s	Photographs, Negative, and Other Document	1 negative, 13 photos, and 1 proposal						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items					
82	19	60	Miscellaneous: General Miscellaneous/Historical	Purdue logo and logosheets, including Boilermaker Express, Griffin Seal, Purdue Calumet Logo, positioning document, primary mark, secondary marks, word marks, and Pantone colors	1996	Graphics and other Documents	55					
82	20	60	Miscellaneous: General Miscellaneous/Historical	Color prints of Purdue Varsity Glee Club with Brian Breed; space suit designer Amy Ross in 1991; negative of female portrait; Orville Redenbacher; landscape photo of fishermen; wildlife photos; students in computer lab c 1980s; Purdue School of Astronautics and Aeronautics Wind Tunnel; A & E Engineering grad student Bob Johnston with Boeing Wind Tunnel; Ronald Reagan and Dr. Beering 1987; researcher in the lab; researcher in the field; researcher in the cockpit; researcher in greenhouse; researcher with children; 1995 Rube Goldberg competition, including "Calvin's Daydream," "A Mouse in the House," and other machines; professor lecturing in large classroom; Fuel Injector System "Cup Room" in Cummins Engine Plant in Columbus, Indiana; Winner of Nobel Prize for Physics Ben Roy Mottelson 1986; portrait of John Wooden; President Beering in motorcade; Neil Armstrong with Purdue Pete in motorcade; Faculty with visitors in lab; researchers in labs and with children; Andrea Hogan with Flow Cytometry in Health Science; Philosophy and African-American Studies professor Leonard Harris in early 1990s; ME professor Dwight Senger in Laser Atomization Lab 1985; researchers with children and visitors; assembling the Boilermaker Special V in 1993; Industrial Design professor Steve Visser c 1989; Maria Encinas with ME Smokejet windflow generator; portrait of woman in Beering Hall office overlooking University Hall; staff member in Freehafer Hall with stacks of graded exams; Professor Sharon Posey, RN, with student in school of Nursing; Shawn Luera of Naperville celebrates transcript with student onlookers on Hovde Hall steps 1991; Food Science Professor Philip Nelson with Tropicana orange juice 1993; researchers in labs; Producer of 1993 Earhart documentary Jane Feinberg with guests at Earhart Residence Hall; Amelia Earhart painting 1993; Jane Feinberg with Amelia Earhart photos and documents; Mechanical Engineering students Maria Encinas and Scott McKinley in class; students in lab "service"; student working with textiles	1980s-1990s	Photographs and Negatives	82 photos and 1 negative					
82	21	60	Miscellaneous: General Miscellaneous/Historical	Color prints including student working with textiles; man with old machine; Researchers in labs; photo of Martin Waldseemüller's 1507 globe gores; students in labs and with faculty; Dean Betty Nelson doing icebreaker with students; photo of old map; professor with students; students with professor in computer lab; two men with Heavilon Bells; Philosophy and African-American Studies professor Leonard Harris in early 1990s; man at computer imaging station; students in science class; April Williams inside cockpit flying plane; The B-52s Kate Pierson and Cindy Wilson with Purdue Pete at Feb 4, 1993 concert with Sterling Campbell on drums; <i>Physics Funfest</i> covers on transparency; student working at computer	c 1990s	Photographs and transparency	36 photos and 1 transparency					
82	22	60	Miscellaneous: General Miscellaneous/Historical	Study abroad, New Zealand and Australia: slides and photos of Matt Umberger and Alex Sutherland (Dean of Engineering) at University of Canterbury, Christchurch, New Zealand, in front of School of Engineering, Nov. 1994; beach and coast photo of Sydney, Australia; Sydney Opera House and Sydney Harbor; Purdue Study Abroad students at University of New South Wales, Australia; Canal scene with gondolier in Christchurch, NZ, coastline of Sydney, Australia; identifying list of students at UNSW Sydney, Lincoln University, and the University of Canterbury	1994	Photographs, Slides, and Documents	2 slides, 13 photos, and 2 pages					
82	23	10	Academic Schools: School of Technology	Midwest Center for Advanced Technology Education (MCATE) portraits of Dennis Depew, Melissa Dark, and Cynthia Dalton, and 23 photocards of sketch illustration for Technology Building (Knoy Hall)	1997	Photographs and photocards	4 photographs and 23 photocards					
83	1	10	Academic Schools: School of Technology	Photos from in-flight airplane cockpit; Manufacturing Technology students and faculty making castings in Foundry labs 1969; Students and faculty in new computer lab late 1970s-early 1980s; faculty portrait and students in Engineering Graphics classes 1970s; Men working in Foundry Casting lab; students and faculty in classroom; student surveyor; students and faculty in drafting labs and office; working in technology labs, including welding 1986; students and faculty in drafting labs and with machines; faculty, administrators, and observers with new computer machines; students and staff in technology labs; students framing a house in Building Construction Technology (BCT) Lab; students in building lab; students in drafting classroom; Professor Gilbert Rainey with Applied Technology students; Technology Building (aka Knoy Hall); interior and exterior photos of Technology Building (aka Knoy Hall); Students in Aviation Technology classroom and lab 1987	1969-1987	Contact Sheets	25					
83	2	10.1	Academic Schools: School of Technology – Aviation Technology	Man in flight simulator 1989; Aviation Technology lab and hangar; Purdue Airport Control Tower for Aviation Technology Program; Purdue Airport scenes; Female pilot with man (likely Charles D. Fuller) 1986; Purdue Aviation Technology lab and airport hangar; working on airplanes; students and faculty in flight simulator or cockpit; working on airplanes and aviation technology; candid photos of Charles D. Fuller (most popular School of Technology teacher) September 1968; Purdue Airport, Hangar, and maintenance lab 1968; on the job aviation training at Purdue Airport 1969; Aviation Technology receiving new fleets of Cherokee planes at Vero Beach, Florida, August 1968; Football Defensive Tackle Bill Yancher and Line Coach Allen Hager receive flight training 1968; Aviation technology students in classroom and Purdue Airport; student Hugh Benz installing radar in plane cockpit 1968	1968-1989	Contact Sheets	17					
83	3	10.7	Academic Schools: School of Technology – Supervision	Students in technology lab May 1980	1980	Contact Sheets	1					

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
83	4	11	Academic Schools: Agriculture	Meat processing lab; Students working in garden and greenhouse; Gary Krutz with Agricultural Engineering students in lab 1988; Row of trees at Purdue Agricultural Farm 1988; College of Agriculture "Project Future" 1988; College of Agriculture "Project Future" and Horticulture openhouse 1988; Agricultural Engineering Professor Lawrence "Larry" Gaultney with students in 1988; Landscape Architecture Professor Don Molnar with agriculture students; Agricultural Food Science students in lab; Agricultural Food Science Pilot Plant; Agricultural Food Science Micro lab; faculty working in agricultural or biological lab; student and faculty working in computer lab; working in agricultural lab; Agriculture professor giving lecture to students; Biochemistry Professor Mark Hermodson with colleagues; Professor C. Larry Chrisman in classroom doing transgenic work; field at Purdue Agronomy Farm; students with computers; students in lab 1986; students with dairy cattle and goats; researchers in lab; students and professor in lab; meat processing in lab; students working with sheep; dairy cattle milking and piglets nursing; examining piglets; Ag professor Ray Wilson with merit award 1968; Ag professors comparing crop chart with aerial photo and computer set up 1968; Candids of College of Agriculture Dean Richard Kohls 1968; working with soil in lab; researchers in lab; faculty in lounge and meeting and library, also an aerial photo; students in lab; wheat field; tractor in field; Produce Section in Eisner Food Store [later Jewel/Osco- see Box 90, Folder 11]; man working in greenhouse; Rows of trees at Purdue Agronomy Farm 1988 with 2 negative strips on back	1968-1988	Contact Sheets and negatives	43 contact sheets and 2 negatives						
83	5	11.6	Academic Schools: Agriculture – Botany and Plant Pathology	Student and plants in greenhouse (Shots of various plants to show some general aspects of the Ag School)	1969	Contact Sheets	1						
83	6	11.7	Academic Schools: Agriculture – Horticulture	Students and researchers in labs, greenhouses, and fields; Horticulture Lab and students and plant details June 1990; Professor Donald Molnar with students Landscape Architecture April 1988; students building greenhouse October 1979; students playing ping pong July 1985; various students, staff, faculty, plants, and activities of Horticulture;	1979-1990	Contact Sheets	10						
83	7	11.7	Academic Schools: Agriculture – Horticulture	Horticulture building	1968	Photographs	1						
83	8	11.8	Academic Schools: Agriculture – Forestry and Natural Resources	Forestry activities 1976; Forestry competition November 1986	1976, 1986	Contact Sheets	2						
83	9	11.9	Academic Schools: Agriculture – Entomology	Entomology specimens, classrooms, and labs; Professor Tom Turpin teaching Entomology Class April 1988; Professor Tom Turpin edible entomology	1948, 1988	Contact Sheets	4						
83	10	12	Academic Schools: Engineering	Engineering Labs in Aero-Nac Building April 1987; Julio/Julia Oesterle and others, Aero; Chemical Engineering Linda Wang and others in April 1987; 1987 Rube Goldberg contest judging, including participants and judges, including Mike Piggot (media and broadcast journalist, later director of campus relations at Purdue); Civil Engineering (CE) Lab, Katz; 1987 Rube Goldberg competition and audience; Computer monitor and PUMA mechanism; researchers working with testing equipment; building entrance; 1968 Opening of Engineering School's Thermal Conductivity Conference at TPRC in 1968, including dignitaries at coffee break, display, and banquet speaker; Crystal growing and cutting by female student in Metallurgical Engineering 1968; 1972 Freshmen (Frosh) Engineering Class; Engineering Library Room 1972; Engineering Faculty and Staff 1969; Engineering staff at NSPE Convention (NSPE State Presidents Conference) 1968; Engineering equipment 1969; 1969 General Engineering, including horse and vehicle (Corvette?); Female engineering students; minority engineering students; Professors and students with Engineering equipment; Jan Lovell and Professor Diamond, Civil Engineering Testing; LORRE, Ladisch, Tsao; Biomedical Engineering; people surveying; engineering researchers and equipment; Professor and MD Stephen R. Ash and Hemodialysis work; Engineering research, classrooms, and labs; candids	1968-1987	Contact Sheets	46						
83	11	12.2	Academic Schools: Engineering - Chemical Engineering	Water jet photography by strobe light by Ken Abel in the lab, faculty shot	1968	Contact Sheets	1						
83	12	12.3	Academic Schools: Engineering - Civil Engineering	Construction site of building, including aerial view; Civil Engineering Graphics classes 1972; Civil Engineering Professor Harold Michael and electronic gear 1968; Hewlett Packard Computer Workshop for civil engineers 1968; Civil Engineering Professor Harold Michael 1968; 1968 Road School Planning Committee; Civil Engineering Professor Joe (Joseph L.) Waling's Burle Shell design 1968; Professor Joe Waling's Burle Shell house 1968; Professor Joe Waling's 1968 Burle Shell design sketch; Geotech trans (transportation) mapping of Brown County, Lawrence County, Indiana	1968-1981	Contact Sheets	10						
83	13	12.4	Academic Schools: Engineering - Electrical Engineering	Electrical Engineering (EE) labs April 1987; Mike Young in Electrical Engineering (EE) clean room 1988; EE Laser Lab 1988; EE students in class; EE lounge candids; students, faculty, staff, researchers in various EE settings; Electrical Engineering lab shots in 1968, including man on tractor on campus; Graduate student in solid state electronics lab 1968; Electrical engineering remote sensing airphoto 1968; 1968 Classroom scene in Electrical Engineering; EE Professor Ahmed (A. H.) El-Abiad talking to foreign visitors 1968; 1988 EE Laser lab with 3 negative strips on back; EE Clean Room with Mike Youn 1988 with 4 negative strips on back	1968-1988	Contact Sheets and negatives	25 contact sheets and 7 negatives						
83	14	12.5	Academic Schools: Engineering - Industrial Engineering	Industrial researchers in lab settings; Industrial Engineering Professor Barash 1969	1969-1989	Contact Sheets	3						
83	15	12.6	Academic Schools: Engineering - Mechanical Engineering	Mechanical Engineering (ME) Faculty and students in the lab 1991; ME Professor Ben Hillberry and Graduate Student with vibration shaker 1969; photo of "heat pipe" for Backgrounder 1969; Mechanical Engineering design problem models 1968; Mechanical engineering researchers with automobile car (Pontiac Firebird) 1972; ME computer printout on graphic display tube of muscular-motor development of child (Backgrounder 11/68), Kizer [may refer to photographer or Marketing Staff, rather than content of photo]; ME researcher	1968-1991	Contact Sheets	7						
83	16	12.8	Academic Schools: Engineering - Nuclear Engineering	Nuclear Engineering Professor Bailey and Nuclear reactor 1968	1968	Contact Sheets	1						
83	17	12.1	Academic Schools: Engineering - Engineering Centers	Researchers in Engineering Center labs, including CIM-LAB (Computer Integrated Manufacturing Laboratory)	1985	Contact Sheets	6						
83	18	12.101	Academic Schools: Engineering - Engineering Centers - Biomedical Engineering Center	Researchers in Biomedical Engineering Center	1981	Contact Sheets	3						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
			Academic Schools: Engineering - Engineering Centers - Laboratory of Renewable Resources Engineering (LORRE)	Nancy Ho's lab in LORRE (Laboratory of Renewable Resources Engineering)

83	35	15.7			1968-1980	Contact Sheets	10						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
83	36	15.7	Academic Schools: School of Liberal Arts – Physical Education, Health and Recreation Studies	Memorial Gymnasium	1968	Photographs	1						
83	37	15.8	Academic Schools: School of Liberal Arts – Sociology and Anthropology	Professor Gene Jackson and Social Work class; graduate student seminar; students and faculty in classroom; Psychobiology research; Social Sciences students working with seniors at nursing home with negatives on back	1977-1988	Contact Sheets and negatives	8 contact sheets and 10 negatives						
83	38	15.81	Academic Schools: School of Liberal Arts – Psychology Sciences	Psychological clinical interviews and observations	1984	Contact Sheets	1						
83	39	15.9	Academic Schools: School of Liberal Arts – Communication	People at computers, including minorities; Students and faculty, including minorities, in Communication classes in classroom, using typewriters, in television studio; English Department Head Jacob Adler portraits; Speech classes doing various readings onstage, including Larry Richter; Speech and Communication PhD student Gary Richetto portrait candids; New Heavilon Hall (1967); English language class for TAs (Teaching assistants, including minority students) with negatives on back	1967-1991	Contact Sheets and negatives	17 contact sheets and 4 negatives						
83	40	15E	Academic Schools: School of Education	Education students and faculty in classrooms and Krochouer (sp?) lab; Teacher interviews and placement; Student teachers teaching children math at Dayton Elementary School; Teacher placement and student teachers going to Nova Schools; Super Saturday, including sign language and photography class; 1968 portrait candids of Education Professor Adrian Van Mondfrans; Cerebral Palsy Clinic; Achievement Center Professor Richard Koch (Coe?) sp?) portraits; AAMD Regional Meeting; Special Education leading figure Professor Burton Blatt (consulted for Purdue, received 1974 Kephart Award); Meeting of teachers placed and Gary High School with students; Educational Media; Professors Joe Shiveley (Shively), Ron Houser, John Feldhusen and Adrian Van Mondfrans meeting about undergrad research program in education; children in 1987 Star program	1968-1991	Contact Sheets	26						
83	41	16	Academic Schools: Krannert School	Krannert Center finishing construction; Krannert Management class; students and faculty in classrooms, including minorities; students working on computer, including minorities; Krannert management students in Computer Center; Business Opportunity Program (BOP) at the Black Cultural Center; Krannert computer labs, lounge, library, and advising; Krannert Library; Advisor/faculty counseling minority student in Industrial Management; Robert Whitsel (President of Lafayette Life Insurance Company) presents check to Emanuel (E. T.) Weiler (founding Dean of School of Industrial Management); E. T. Weiler teaching class; Krannert Behavioral Science Lab; students and professors in classroom; Industrial Management Coop student at Rockwell Int.; Coach Fred Akers at Krannert Management Executive Program; portraits of Professor James Papke (Economics) and Chuck Johnson (Director of Master of Science in Finance);	1968-1988	Contact Sheets	27						
83	42	16.1	Academic Schools: Krannert School – Economics	Students and faculty in the classroom and office, including Industrial Management Professor of Economics James Papke	1968, 1975	Contact Sheets	2						
83	43	16.4	Academic Schools: Krannert School – Graduate Programs	Professor Robert Johnson teaching Financial Management class, including Gordon Wimberly of Lafayette in small business class; Business Problems Behavioral Lab	1968	Contact Sheets	3						
83	44	17	Academic Schools: Pharmacy, Nursing and Health Sciences	Students and faculty in the lab, including Director Donald Bloom; Bunny rabbit with penicillin and prescription for Nathan Fox from R. Kizer [may refer to photographer or Marketing Staff, rather than content of photo]; Pharmacy students in Library and Computer lab; students with faculty and/or advisors; Faculty and students conducting research in labs and classrooms; Medicinal chemistry research; New Pharmacy building 1970 (renamed Robert E. Heine Pharmacy Building in 1985); Pharmacy students and faculty in labs and library and on computers, including women and minorities; Pharmacy Student Rhonda Ross (sp?); Pharmacy student David Smiley; researchers in pharmaceutical labs, including women and minorities; photos for Pharmacy promotional materials, including women and minorities; 1968 winners of Bucke scholarship, with Professor William S. Bucke on right; Construction of New Pharmacy Building 1968; Old Pharmacy Building 1969; Speakers at 1968 Pharmacy Conference, including Drs. Boest (sp?), Paarlberg (sp?), Hook, and Dean Varro Tyler; students, staff, faculty in labs and classrooms, including women and minorities and lab rats and health sciences; John J. Marszalek with researchers in Hybridoma Laboratory; interior and exterior shots of New Pharmacy Building	1968-1991	Contact Sheets	72						
83	45	17.1	Academic Schools: Pharmacy, Nursing and Health Sciences – Pharmacy and Pharmacal Sciences	Associate Professor of Bionucleonics Warren G. Hansen in office; Bionucleonics lab (SINCO-P scintillation counter)	1968	Contact Sheets	2						
83	46	17.2	Academic Schools: Pharmacy, Nursing and Health Sciences – Nursing	Nursing and Health Sciences students and faculty with patients in clinics, Nursing Lab, and classrooms, including Professor and Head of Nursing LaNelle Geddes; Home Hospital student nurses in Nursery Assessments; Home Hospital Newborn Assessment with Professor Jane Kirkpatrick; Physical Plant Health Fair; Family Healthcare Center; Nursing research; Nursing and Health Sciences students, faculty, and staff; St. Elizabeth student nurses and instructors with children and patients; Professor Dr. Helen R. (Snyder) Johnson; Pharmacology pills and pill-making; Public Health Nurse; Nursing and Health Science students with patients at hospital	1968-1990	Contact Sheets	34						
83	47	17.3	Academic Schools: Pharmacy, Nursing and Health Sciences – Health Sciences	Health Sciences faculty and students in the classroom, lab, and offices; students and faculty researching in labs; molecules; Pharmacy Medicinal Chemistry	1986-1991	Contact Sheets	14						
83	48	18	Academic Schools: Science	Scientist to Teachers, including women and minorities; Candid students; Biology Chalkboard; Chemistry class with faculty and students; Computer Science class with faculty and students; Students and Faculty in Physics, Geo Science, and Statistics classes; Michael G. Rossmann 1977; Cyber 205 (cables, monitors, equipment); Life Science Building 1985 (Arthur G. Hansen Life Sciences Research Building); Geo Science students; female researcher in lab	1968-1988	Contact Sheets	14						
83	49	18	Academic Schools: Science	Mathematical Sciences Building	1968	Photographs	1						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
83	50	18.1	Academic Schools: Science – Biological Sciences	Michael G. Rossmann and others conducting research in labs; lab research, including minorities; portrait candid of Professor of Biological Sciences Dr. Edward H. Simon; Lilly Hall of Life Sciences 1968; Biological Sciences students in science class and labs, including women and minorities; Water (H2O) Research in Lilly Lab, including 5 negative strips; Michael Rossmann research including 3 negative strips ;	1968-1988	Contact Sheets and negatives	13 contact sheets and 8 negatives						
83	51	18.2	Academic Schools: Science – Chemistry	Photographs of crystals with 5 negative strips on back; Chemistry research in labs; Glassblowing for Chemistry; Photographs of Chemistry Science research and equipment; New Chemistry Building 1973 (aka Chemistry Building East, Chemistry Building 2, and Herbert C. Brown Laboratory of Chemistry); Researchers in chemistry lab; Distinguished Professor of Chemistry Herbert C. Brown; Freshman Honors Chemistry students with Professor Robert Davis; Chemistry researchers	1968-1988	Contact Sheets and negatives	15 contact sheets and 5 negatives						
83	52	18.3	Academic Schools: Science –Mathematical Sciences	Dean Felix Haas teaching math class; Math and Computer Science professor Duane Pyles's office, including 2 professors and student with computer	1969	Contact Sheets	2						
83	53	18.4	Academic Schools: Science – Physics	Arrival, movement and installation of Van de Graaff Accelerator into underground room 1968; Physics majors at work; physics research, including minority students; Instructor and students in physics lab conducting experiments in sound on a tuning fork; Physics Building Addition 1970 (aka Physics Building Accelerator Facility and Karl Lark-Horovitz Laboratory of Nuclear Structure); Sketch of Physics Building Addition 1968; 1969 Construction of Physics Building Addition; "Today's Student" feature photo of Physics student James Radack (NESEP: Navy Enlisted Scientific Education Program) posed at nuclear reactor with Professor Robert Bailey	1968-1990	Contact Sheets	10						
83	54	18.5	Academic Schools: Science – University Computing Center	Candid shots of researchers and equipment at Computer Science Center and classroom	1969, 1985	Contact Sheets	2						
83	55	18.6	Academic Schools: Science – Earth and Atmospheric Sciences	Water (H2O) Research in GeoScience lab, including 3 negative strips and 5 negative strips; Tornado Chase Team research; Geosciences AEC workshop principals Youngberg, Donald William Levandowski and McLain, Purdue and one other speaker; Geology professor instructing students in reading topographical maps	1968-1988	Contact Sheets and negatives	7 contact sheets and 8 negatives						
83	56	19	Academic Schools: Veterinary Medicine	Students and researchers with animal patients, including camel, camel calf, llama, dairy calf, horse, foal, dogs, with 5 negatives on back and a second with 5 negatives on back; animal surgeries and exams; animal training and behavior; Vet Open House; horse mare and foal at the vet school; students and faculty, including women and minorities, with animals in vet clinic, including cats, tigers, elephant (in the hallway); Sabrina the lion cub raised by Vet student Ron Herring; Vet medicine clinic including elephant calf (possibly), pony mare and foal; students in veterinary library; researcher with horse; Veterinary science students with pony, horse, dog, cow, in truck, in surgery, examining horse hoof and foot; horse in surgery; cats and dogs in Lynn Hall; television broadcast; general scenes in vet medicine at Purdue; creating cow exam video; audio tutorial class for Vet Science anatomy students; State Vet leaders visiting Purdue for conference; researchers with x-rays, including Ron Ferris and Leland Otte, and Large and Small Animal scholarship winners, including Pfizer prize winner with Dean Morse and sponsor; Vet medicine labs; 56th Indiana Veterinary Conference, including Dr. Joseph Clark and Dr. Justin Jordan; Vet Open House, Animals, Students and instructors in clinics, equipment, Indiana Vet Conference	1968-1989	Contact Sheets and negatives	38 contact sheets and 10 negatives						
83	57	20	Continuing Education, Regional Campuses: Continuing Education Administration	researcher with Bonsai plant	1990	Contact Sheets	1						
83	58	21	Continuing Education, Regional Campuses: CIS, Telecommunication Center, WBAA, IHETS	Man and woman on air at WBAA radio Studios, and woman with records on shelves; Telecommunication Center and television broadcast production	1972-1973	Contact Sheets	3						
83	59	22	Continuing Education, Regional Campuses: Regional Campuses – Regional Campus Administration	Fort Wayne campus commencement; architect sketch of future Fort Wayne campus; Jim Schwartz (sp?) teaching on Regional Campus	1968-1970	Contact Sheets	6						
83	60	22.1	Continuing Education, Regional Campuses: Regional Campuses – Calumet	Interior and exterior photos of Purdue Calumet regional campus, including students at computers at in class	1977-1989	Contact Sheets	3						
83	61	22.4	Continuing Education, Regional Campuses: Regional Campuses – North Central Campus	Purdue North Central regional campus buildings and landscape, as well as faculty and students	1989 and c 1970s	Contact Sheets	7						
83	62	25.2	Continuing Education, Regional Campuses: Special Programs and Institutes	Cheerleaders at cheerleading camp; meetings, workshops, presentations; Broadcast Engineering Seminar, pictures taken for Journal of Society of Broadcast Engineers; women, including minorities, working with art, textiles, and crafts	1968-1987	Contact Sheets	5						
83	63	30	University Administration: General Administration	University Press Director William Whalen; Parent's Day	1968, 1975	Contact Sheets	2						
83	64	30	University Administration: General Administration	Executive Building [actually Student Services and Administration Building, later named Hovde Hall] 1968	1968	Photographs	1						
83	65	31	University Administration: Business Office, Vice President and Treasurer	Business office trainee Tom Ryan with Charles H. Lawshe; Business Office trainees, including John Fields; Business Office trainees in training situations	1968	Contact Sheets	3						
83	66	31.4	University Administration: Business Office, Vice President and Treasurer – Service Enterprises	Service Enterprises photos, including butchered meat rounds at food stores; Professor of Botany and Plant Pathology Thomas Abney and family outside PRF and inside; women, including Rozella Pearson, at work in office settings, including filing systems and computers; Office of Instructional Materials Development and staff working	1968-1979	Contact Sheets	16						
83	67	32	University Administration: Personnel Services	Employment and Retirement office "What We Do At Purdue" photos of workers; Assistant Vice President of Student Services and Dean of Men Oscar D. Roberts Retirement Reception;	1968, 1972	Contact Sheets	3						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items					
83	68	33	University Administration: President's Office	Six packets of negatives from the University Editor's Office - Packet 1 includes people looking at art, listening to presentation - Packet 2 includes two men looking at equipment - Packet 3 includes Professor William G. Rice and Judith Rice and teacher materials - Packet 4 includes a Campus Scene listed from 1876 - Packet 5 includes men recording onto records, Hovde and others in lab, men looking at Farm Journal and Purdue publications from 1965, men in front of Spirit of the Land Grant College mural (including R.B. Stewart (VP and Treasurer), John Moriarty (Library Director), Frederick Andrews (VP and Head of Graduate School) [possibly C. I. Calkin - see Box 94 folder 23], artist Eugene Savage and donor Walter Scholer (architect)), Amelia Earhart in office with women looking at lizards, and female staff in office, including Helen Schleman (standing middle) and Barb Cook (back right) - Packet 6 includes Mr. B. Jay Pershing and Michael Pershing looking at architectural sketches; Photos include the Home of Purdue President Arthur Hansen, exterior and interior shots with guests; President Steven Beering and wife Jane speaking and in office; Candid photos of President Arthur Hansen with students on campus, including minorities, as well as in classrooms, speaking, and in office; President Hovde and wife Priscilla at formal retirement reception; Hovde speaking at Student/Faculty Forum; candid of A. Hansen in class, in office, speaking; Vice President Hawkins accepting \$5000 grant from Mr. Miller of Cooper Tire and Rubber Company of Findlay, Ohio; Edward C. Elliott photos and memorabilia; Pres. Hovde retirement celebration; President Hovde and Board President Maurice Knoy; President Hovde in office; President Beering speaking at Legislative Breakfast, including Tom Ehrlich and Byron (last name unknown), with 5 negatives on back and another with 5 negatives; President Beering with President Tom Ehrlich; Portraits of Steven Beering with 6 negatives on back; Beering at desk with 6 negatives and 3 negatives on back; Former President Hovde with Former IU President Herman Wells at Football game, including 1 negative on back	1876, 1965-1990	Contact Sheets and negatives	43 contact sheets and 54 negatives					
83	69	33	University Administration: President's Office	President Beering with "Purdue Steve" jacket and Purdue Pete student Jon Dorsey; Iron Key ceremony at Westwood; Steve and Jane Beering; President Beering at Phone-a-thon; Beering with Gene Cernan, Neil Armstrong, Mark Brown, and shuttle model; Neil Armstrong and Steven and Jane Beering at football game; Steven Beering "Day in a Life" including car phone and office; Purdue Grand Prix, including women and minorities; Beering at VP staff meeting; Eugene Cernan, Neil Armstrong, Jane Beering, Mark Brown and others at formal reception "launch"; Purdue Vision 21 event function including Beering; Beering at APSAC (All Professional Staff Advisory Council) meeting; Steven and Jane Beering, William Allen and Glee Club boarding plane; Speakers at Purdue Vision 21 news conference including Beering, Cernan, Armstrong; portrait candid of Jane Beering; Cernan, Beering and others at C.C. Meeting; Beering at SIA tree donation; Beering at "Over the Top" phone-a-thon fundraiser with students including minorities; Beering, Armstrong and others at "Contributing to Aviation Education at Purdue" Boeing 727 Gift from United Airlines; Beering at Lillian Gilbreth commemorative stamp presentation; Beering at 1990 Homecoming, including Pete Miller; Beering with Leadership Committee; Beering at Purdue Women's Basketball banquet; Steven Beering and Tom Ehrlich; Beering accepting General Motors grant, including John Purdue painting; Beering with children; Beering's 60th birthday with band; Beering and Brian Breed singing; Beering and men's basketball players with Boilermaker Special; President Beering 1983 Press Conference and event	1983-1993	Contact Sheets	51					
83	70	33.1	University Administration: President's Office - Commencement	Commencement ceremony; Commencement feature; Commencement and graduation outdoor candid, including students and family; Commencement procession, including band, banners, Hovde Hall, fountains, decorated caps, minority students, Boilermaker Special	1968-1990	Contact Sheets	25					
83	71	33.2	University Administration: President's Office - Honorary Degrees	1968 Commencement, including President Hovde with graduates and Honorary Degree recipients; Honorary Degree Recipient portraits, including Seymour Benzer, Paul Chenea, John Ciborski, Ernst R. G. Eckert, John Emens, Lester Field, Robert Heine, Robert Kramer, Ben Mottelson, and Robert B. Stewart	1968	Contact Sheets	2					
83	72	33.3	University Administration: President's Office - Trustees	Meeting of Board of Trustees; John Purdue; Trustee Board Member Mrs. Luke White	1968-1987	Contact Sheets	3					
83	73	33.8	University Administration: President's Office - Intercollegiate Athletics - Minor Sports	Candid photos of Men's Crew, Men's Golf, Men's and Women's Tennis, Men's Track and Field events, Women's Soccer, indoor track and field; Old Oaken Bucket with 1 negative on back	1969-1991	Contact Sheets and negatives	19 contact sheets and 1 negative					
83	74	33.8	University Administration: President's Office - Intercollegiate Athletics - Basketball	Interior of newly constructed Purdue University Basketball Arena (aka Mackey Arena); Home men's basketball game scenes (players, fans, band, cheerleaders), including Coach Gene Keady; Interior aerial of newly constructed Basketball Arena; Portrait candid and interview of Rick Mount; Men's basketball games, players, cheer squad, fans, and coaches, including George King; Men's basketball games including players, fans, band, Coach Gene Keady, Purdue Pete	1969-1991	Contact Sheets	53					
83	75	33.8	University Administration: President's Office - Intercollegiate Athletics - Basketball	Newly constructed Purdue University Arena (aka Guy J. Mackey Arena)	1968	Photographs	1					
83	76	33.8	University Administration: President's Office - Intercollegiate Athletics - Women's	Women's Big Ten Track and Field; Women's Field Hockey; Volleyball; Women's Basketball; Women's Tennis; Volleyball Practice, including 7 negative on back and 6 negatives on back	1975-1988	Contact Sheets and negatives	21 contact sheets and 13 negatives					
83	77	33.8	University Administration: President's Office - Intercollegiate Athletics - Women's	Portrait candid of Rob Klatte (Founding Coach of Purdue Women's Soccer), likely 1997 (hiring date)	c 1997	Photographs	1					

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
83	78	33.8	University Administration: President's Office – Intercollegiate Athletics - Football	Football game scenes including band, details, coaches, game action, fans, cheerleaders, Charlie and Charlotte (mascots of freshman Block P card section in 1960s and 1970s), Purdue Pete; Purdue Pete sketch; Purdue Football game action, including coaches (Alex Agase), players, broadcast antenna, minorites, mascot, Purdue Pete, fans, scoreboard; student banner; mascots Charlie and Charlotte; David Umberger's Camera and Case; Football game action, including players, fans, Coach Bob DeMoss; Football game action, including Leroy Keyes, Victory Bell; Twirlers and Golden Girl Valerie Brown; fans storming the field; Football student athletes in class, including Leroy Keyes, Jim Kirkpatrick, Rick Mount, Lee Ryan, Stan Jones; Trainers and athletes in locker room/training room, including minorities; Football game action, including fans and Purdue Pete, David Umberger taking photos, scoreboard, cheerleaders, players, coaches; Football practice; Robert DeMoss replaces retired Jack Mellenkopf as Purdue Head Football Coach 1970; Male on telephone; Football game action, including fans, Old Oaken Bucket, band, Drum, Cheerleaders; portrait candids of Leroy Keyes	1968-1991	Contact Sheets	68						
83	79	34	University Administration: Campus Development and Physical Plant (Buildings)	Union interior and Heavilon Hall Tower; International Center; Outdoor Campus scenes, including buildings and students; new Purdue Mall Water Sculpture (aka Engineering Fountain); Union Club hotel entrance; New Plaza behind Hovde Hall at night; Construction by Elliott Hall of Music; University Hall details; newly constructed Engineering and Geoscience Complex (aka Materials and Electrical Engineering Building (MSEE)); Hansen Life Sciences Building; opening dedication of Purdue Mall Water Sculpture (aka Engineering Fountain) by President Steven Beering at night, including kids playing in fountain; windows in southwest side of Union; construction and details of new Civil Engineering building addition; details and exterior of Shealy Hall; Purdue Memorial Building Facade details; Campus buildings exteriors; Street Front of Purdue Memorial Union; JAO tree planting; Memorial Gymnasium, front of Purdue Memorial Union, student candids; outdoor campus scenes, including class on Memorial Mall; Engineering Mall from Hovde Hall; Purdue Musical Organizations concert at Slayter Center; Electrical Engineering Building; Elliott Hall of Music; Graduate Student House West residence (aka Hawkins Hall); students playing hackysack in Horticulture Park; Student Services Administration Building facade (aka Executive Building and Hovde Hall); Mall scene in front of Executive Building (aka Hovde Hall of Administration), including smokestack; Door details of the Women's Dorms; Facade of Hovde Hall; Purdue Memorial Union; Horticultural Greenhouses, Stone Lions Fountain, and University Hall in winter snow; detail of Hovde Hall exterior; classes meeting outdoors; summer group on campus; outdoor student candids; construction at Elliott Hall of Music; exterior and details of University Hall; Civil Engineering Building; exterior aerials of Purdue Memorial Union; newly constructed Technology Building (aka Knoy Hall); exterior landscape of Memorial Mall, University Hall, Recitation Building, and Mathematical Sciences Building	1968-1991	Contact Sheets	49						
83	80	34	University Administration: Campus Development and Physical Plant (Buildings)	University Hall and details, including John Purdue Memorial Fountain; Purdue Memorial Union (PMU) entrance; 1968 power plant, smokestack, and Engineering Administration building; campus scenes outside Hovde Hall and Recitation Building; Hansen Life Sciences Building; Winter scenes including Hovde Hall; University Hall spire; Beering Hall (LAEB) and reflections of University Hall; Purdue Mall Water Sculpture (aka Engineering Fountain); Lambert Fieldhouse; Purdue Memorial Union; Views of and from repair of smokestack, including fisheye and aerial photos and night views; Interior of Purdue Memorial Union; students playing hackysack in Horticulture Park; Two Squirrels by Vince Walter; Interior and exterior of Elliott hall of Music; students at Purdue Mall Water Sculpture (aka Engineering Fountain); Details of Mackey Arena and Lambert Fieldhouse; Plaque at Memorial Gymnasium describing Train Wreck; Students walking on campus including University Hall, Memorial Center (aka Stewart Center), and Chauncey Hill Village; Krannert Graduate School of Management, Potter Engineering Center, and construction of Technology Building (aka Knoy Hall); Purdue Memorial Union and Memorial Center (Stewart Center) at night; installing Christmas tree in Union; indoor and outdoor Residence Hall scenes; Lilly Hall of Life Sciences and other buildings including Heine Pharmacy Building; University Hall Spire; Hovde Hall (Administration)	1968-1991	Contact Sheets	45						

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items					
83	81	34	University Administration: Campus Development and Physical Plant (Buildings)	Minority students on campus, with 2 negatives on back; Renderings for planned Class of 1939 gift (Chapel and Retreat Center), funds redirected to fountain project, including 3 negatives on back; student candids on campus, including 5 negatives on back; New Electrical and Mechanical Engineering buildings (EE and ME), with 4 negatives on back; University Hall, Hovde Hall, John Purdue Memorial Fountain, and Purdue Memorial Union, with 3 negatives on back; Hovde hall, with 3 negatives on back; University Hall with 1 negative on back and 4 negatives on back; Visitor Information Center (aka Purdue Graduate Student Center) with 3 negatives on back; University Hall and John Purdue Memorial Fountain with 4 negatives on back; Purdue Memorial Union with 3 negatives on back; Hovde Hall (Administration Building) and Purdue Memorial Union with 3 negatives on back; Purdue Memorial Union and Elliott Hall of Music; University Hall; Hovde Hall and Purdue Memorial Union and details; water splashing; Cary Quadrangle Hall; New parking garage 1970; newly constructed Schleman Hall of Student Services; interior of Union; students candid; campus door details; Panoramic of Engineering Mall from top of ENAD (Engineering Administration Building); New Engineering and Geoscience Building; Rendering of proposed Gift of Class of 1939 Conference/retreat Center and Chapel in Horticulture Park; campus building details; windows, students, and computers; University Hall Spire; Hovde Hall facade; University Bookstore Book Rush; Students on campus; Marching Band playing outside Elliott Hall of Music; students outside University Hall; aerial views of campus and student scenes circa 1950s and 1960s; Students moving into residence halls, including Cary Quad and other dormitories; Purdue Memorial Union details; Elliott Hall of Music; Grissom Hall (aka Civil Engineering Building) and Power Plant Smokestack; Administrative Services Building (aka Freehafer Hall); Agricultural Administration Building (aka Agricultural Experiment Station); Grissom Hall; Chaffee Hall (at Jet Propulsion Center, which is also Zucrow Labs); Lynn Hall of Veterinary Medicine (aka the Basic Science Building and Animal Clinic); CDFL (Child Development and Family Life) Building (originally Family Life and Nursery No. 1, aka Child Development and Family Studies (CDFS) building); Purdue Memorial Union; University Hall; Purdue Memorial Union with Reflecting Pool, Heavilon Hall, and Graduate House (Young Hall); University Hall; Slayter Hill and Slayter Center; Elliott Hall of Music; Hicks Undergraduate Library in front of Memorial Center (Stewart Center), National Soil Erosion	c 1900-1991	Contact Sheets and negatives	79 contact sheets and 38 negatives					
83	82	34	University Administration: Campus Development and Physical Plant (Buildings) - Purdue Memorial Union	exterior and interior of Purdue Memorial Union (PMU) including Smart Window, sculpture, snow, night, reflecting pool, and Student Scenes; Memorial Center (Stewart Center);	1968-1984	Photographs	34					
83	83	34	University Administration: Campus Development and Physical Plant (Buildings) - University Hall	University Hall scenes, including night views, details, artistic stylings, snow, John Purdue Memorial Fountain and details, and Recitation Building	1950-1988	Photographs and contact sheets	12 photographs and 2 contact sheets					
83	84	34	University Administration: Campus Development and Physical Plant (Buildings) - Hovde Hall	Hovde Hall scenes, including Purdue Mall Water Sculpture (aka Engineering Fountain) and Loeb Fountain and Memorial Gymnasium	1978-1989	Contact Sheets	3					
83	85	34x	University Administration: Campus Development and Physical Plant (Buildings) - Campus Scenes	1887 imprint; Prof. Sidney Stahl in 1977 snow storm with cross-country skis in front of Hovde Hall [see Box 89, Folder 42]; winter snow scenes on campus; student scenes; students moving out of Tarkington Residence Hall; student candids around campus, including minorities; biking on campus; concert at Slayter Center; Campus sculptures and statuary; campus scenes including Stone Lions Fountain, John Purdue Memorial Fountain and grave marker, University Hall in the fog; Wetherill Chemistry Laboratory (aka Chemistry Building) and Grissom Hall; Grissom Hall and Potter Engineering Center; facade details of Wetherill Chemistry Building; students relaxing in Memorial Mall; aerial views of campus, including Ross-Ade Football Stadium; students relaxing in Purdue Mall (Engineering Mall); Executive Fountain (Loeb Fountain) in Purdue Mall; Purdue University sign and rail fencing details; Lambert Fieldhouse, student scenes; student scenes, including women and minorities; students in Materials and Electrical Engineering (MSEE) Building (aka Engineering and Geoscience Complex); students in shadow of Power Plant Smokestack; minority family scene on campus; Slayter Center concert and traffic scenes; outdoor classroom learning; indoor, outdoor, classroom student scenes; Hicks Undergraduate Library, Technology Building (aka Knoy Hall), Union, and sculptures; Hovde Hall, Technology Building (Knoy Hall), Materials and Electrical Engineering (MSEE) Building (aka Engineering and Geoscience Complex); fence and rail details and plants; students with staff in offices; Oldest trees on Campus in 1986 including Burr Oak at Intramural Field and Elm at Cary Hall; winter scenes from Blizzard of 1978, including University Hall, Power Plant, and power outage perhaps; campus parking scenes; John Purdue Memorial Fountain scenes; Purdue University sign; Purdue Memorial Union, Spirit of the Land Grant Mural, Power Plant; Agricultural Hall (aka Entomology Hall and Pfendler Hall of Agriculture) in the snow, University Church (aka Campus Christian Fellowship (CCF) and Campus House and The Anvil Student Entrepreneurship Hub) and column details; University Hall; Stone Lions Fountain; Purdue University sign, fence, rail, lamp, and 1890 rock details, University Hall; University Hall, water pump, student scenes, sculptures, details; outdoor student scenes including aerial views of students and campus; students in classes, including dance and theater and library; snowy October campus scenes; student scenes around Memorial Mall and in Memorial Center (Stewart Center) and around residence halls; Large picnic gathering in Memorial	1968-1991	Contact Sheets	72					

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items

93	40	multiple	multiple - organized by date	Stutisrig [sp?] Research; Creative Arts, including drawing, sculpting, model, weaving; African dance class, including minorities; Dennis Weidenaar [Krannert Dean] teaching class; Students playing folk music on Oval Mall	March 1975	Contact Sheets with accompanying negatives	5	BW					
93	41	multiple	multiple - organized by date	CDFC Nursery School; Glee Club Rehearsal, including director and accompanist; Betsy Ross in library; Grand Prix qualifier race	April 1975	Contact Sheets with accompanying negatives	4	BW					
93	42	33	University Administration: President's Office	President Arthur Hansen in office	May 1975	Contact Sheets with accompanying negatives	2	BW					
93	43	34	University Administration: Campus Development and Physical Plant (Buildings)	Memorial Union, Great Hall	July 1975	Contact Sheets with accompanying negatives	1	BW					
93	44	multiple	multiple - organized by date	Start of school, including move-in, decorating, registration, orientation; President Hansen house, interior and exterior	August 1975	Contact Sheets with accompanying negatives	2	BW					
93	45	multiple	multiple - organized by date	Field Hockey; Smolen and Drug Monitor; Financial Aids; interior student store; Pharmacy posters, including minorities; Construction Technology class; Home Ec Learning Center; Aviation Technology with Jet Engine; Aviation Technology (electrician)	September 1975	Contact Sheets with accompanying negatives	9	BW					
93	46	multiple	multiple - organized by date	Parent's Day at Home Ec; Woman Surveyor; Our Town theater performance; Jefferson Starship musical performance, including Paul Kantner and Grace Slick; Prof. Lascoe and Machine shop, including minority student; Engineering class; Home Ec; Cemistry class; Physics class, including minority student; Pharmacy scenes, including lab and library; Creative Arts class; Engineering graphics and Industrial illustration, including minority students; Foundational Technology; outdoor student campus scenes, including skateboard, studying; football vs. Michigan State, including Coach Alex Agase	October 1975	Contact Sheets with accompanying negatives	21	BW					
93	47	multiple	multiple - organized by date	football vs. Iowa, including antenna, coaching staff, Agase, scoreboard; football vs. Miami; Foundational Technology; Muhammad Ali speaking at Elliott Hall of Music; Muhammad Ali at Black Cultural Center [?]; men's basketball vs. Xavier; Home Ec, including labs, staff, faculty, students	November 1975	Contact Sheets with accompanying negatives	12	BW					
93	48	multiple	multiple - organized by date	CDFC [nursery school] Christmas Decorations; Spooner and River Port Model; winter scenes of campus in snow; men's basketball vs. San Diego; Equine veterinary medicine operation	December 1975	Contact Sheets with accompanying negatives	7	BW					
93	49	multiple	multiple - organized by date	students and campus in snow storm; students in PMU lounge, Job Board, Ride Board, dining, Stewart Center, bowling, arcades, pool, billiards, including minority students, film projector; President Arthur Hansen; [television studio] video taping; Art Gallery in Union	February 1976	Contact Sheets with accompanying negatives	7	BW					
93	50	multiple	multiple - organized by date	Tennis players; campus scenes, including kites, residence halls, walking, frisbee, oval mall, Hovde Hall; Ruble at High Jump	April 1976	Contact Sheets with accompanying negatives	6	BW					
93	51	multiple	multiple - organized by date	Ruble at Track meet, including other competitors; Morning and afternoon Commencement feature, including procession around Engineering Mall, Loeb Fountain, Centennial Marker, Hovde Hall;	May 1976	Contact Sheets with accompanying negatives	2	BW					
93	52	multiple	multiple - organized by date	Cafeteria Line at Shreve Residence Hall; Pool scenes at Co-Rec	July-August 1976	Contact Sheets with accompanying negatives	2	BW					
93	53	multiple	multiple - organized by date	Pharmacy scenes, including library and minority students; football vs. Northwestern, including Coach Agase, Purdue Pete; Tractor Pull, including night photos; Duhme hall exteriors; University Hall tower and spire; football vs. Southern California [USC], including Coach Agase	September 1976	Contact Sheets with accompanying negatives	9	BW

93	54	58	University Groups: Alumni [NASA images]	Apollo 11 Landing on Moon, including Indianapolis Star newspaper front page headline (July 21, 1969), NASA photos of Edwin "Buzz" Aldrin and Lunar Module, Apollo 17 EVA photo of Eugene Cernan in Lunar Roving Vehicle, Apollo 15 Lunar Roving Vehicle (LRV) on Moon, Apollo 11 Passive Seismic Experiments Package, Edwin "Buzz" Aldrin on moon Apollo 11, Neil Armstrong simulation training for Apollo 11; Earth from Outer Space, including NASA photos of Sunrise in Orbit, deployment of TDRS satellite, STS-79 Atlantis Onboard View of Russian Mir Space Station, Middle East, Hawaiian Islands, Apollo 11 view of Earth, Apollo 17 View of Earth, and Apollo 11 Lunar Module from Command and Service Modules; NASA Rocket Photos, including Apollo 11 Preparations, Launch, Lift-off, US Air Force X-15 NASA jet plane, MR-4 (Mercury-Redstone 4) launch view of Virgil Grissom (1961), MA-6 (Mercury-Atlas 6) launch view of John Glenn (1962), GT-3 (Gemini-Titan 3) Launch of Virgil Grissom and John Young (1963), Launch Pad 39 B with Shuttle Endeavor (1996), STS-91 landing of Space Shuttle Discovery (1998), STS-77 Launch View (1996), 41-D Launch (1984), STS 51-J launch (1985); Artistic Concepts of Space Exploration, including Apollo Art Concept, Rocketdyne Apollo 11 LM liftoff concept art, Lunar Module descent art, and Human Exploration of Mars Art Concept	1961-1998	Photographs	42	BW and color				
93	55	56	University Groups: Purdue Airport, General Aviation [Historical]	Historical Purdue Airport Materials, some with text descriptions: Profiles of Purdue Planes, including actual airplanes and artistic renderings, Purdue Airlines, MPATI DC-6 aircraft planes [Midwest Program on Airborne TV Instruction], Service bi-wings, Army Air Corps P6E fighter plane of 1930s, Champion Citabria, Piper Navajo, Curtiss Hawk P-6E in 1930s in formation; The Glider Club, including J. L. Davies, members, maintenance, stunts; Aeronautical Astronautic and Engineering Science, including men at controls, simulator, tests, wind tunnel, wind resistance, war surplus P-59 jet aircraft; Aviation Technology, including Prof. E. R. "Red" Blatchley and Prof. J. R. Maris with PT-22, Blatchley with rebuilt Vultee L-1, Jim Maris and student Aviation Technicians, Professional Pilot Tech, testing, including women, Jill McCormick, Irwin Treager and David Kemp with jet engines, planes in hangar, Purdue Aeronautics plane, V-5 training, H. Kobulnicky with Home-built Midget Mustang, Lt. J. G. Savage, Dr. Harlow [sp?], J. E. Hall, Grove Webster, Cherokee Arrow; Hangar 1, including John Heller, Capt. L.I. Aretz, Purdue Flying Club, Donald Proffitt; Hangar 2; First Purdue Aviation Day (1911); Purdue Airport's first plane landing with audience (c 1911); airplane on Stuart Field (1918); Aerial photos, including airport and surrounding area	1911-1973	Photographs and Paper	93 photos	BW				
93	56	58	University Groups: Alumni [Amelia Earhart, Historical]	Amelia Earhart written documents, including book and movie release information with KCBS program and Earhart photo, comments by H. H. Heimlich upon Earhart's 1935 arrival at Purdue; Amelia Earhart photos, candid and portraits (with and without plane); Amelia Earhart preparing for take-off; Amelia Earhart at Purdue University Airport, including President [Edward] Elliott and Lawrence Aretz, Earhart with George Palmer Putname, John T. and Evelyn (Shaw) McCutcheon, and President Elliott, Earhart with Captain L. I. Aretz, Earhart's "Flying Laboratory"; Amelia Earhart with students and Dean of Women, including plants, lizards, Dorothy Stratton, Claire Coolidge, F. C. Hockema; Amelia Earhart painted portrait	1935-1967	Photographs, Negative, Contact sheet, Paper	60 photos, 1 contact sheet, and 1 negative	BW and color				
93	57	56	University Groups: Purdue Airport, General Aviation [Historical, cont'd.]	4 Caption slips, describing Jill McCormick, Sherwood Carr, Army Air Corps P6E fighter plane, Curtiss Hawk P-6E, Robert Powell, Richard Eaton; Purdue's First Airmail, leaving Purdue Airport, including Postmaster R. M. Isherwood and Capt. Lawrence I. Aretz; J. C. Allen photos of airport circa 1930s-1940s, including maintenance and pilots; New Airport Tower erected February 1975; Purdue Flight Tech; MPATI Television Broadcast [Midwest Program on Airborne TV Instruction], including interior of plane and flight plan map; wind tunnel model, including William Winstandley	c 1930s-1973	Photographs and Paper	11 photos	BW				
93	58	58	University Groups: Alumni [Astronauts]	Air Force Astronauts with Purdue Faculty and Administrators, including F. L. Barrett, Col. Roger Bate, President Hovde, Prof. Paul Stanley, Doug Butterfield, Vincent Eckelkamp, Donald Washburn, Norman Wells, Joseph Cox, Thomas Fryer, Gerald Sherrill, John Eifers [sp?], and Charles Mordan; NASA Portraits of Richard Covey, Roy Bridges, Donald Williams; NASA photo of Apollo Prime Crew of Virgil "Gus" Grissom, Roger Chaffee, Edward White; Virgil Grissom portraits and candids, including NASA photos, President Hovde, Betty Grissom at Grissom Hall rededication, with West Lafayette kids at Dean Richard Grosh's home (1964), class of 1950 Mechanical Engineers, editor of Purdue Alumnus, at news conference; Roger Chaffee portraits and candids, including widow Martha Horn on Homecoming Queen Court (1956); Cernan and Armstrong photos, including 1967 Gala Week, President Hovde, Boilermaker Special; Eugene Cernan portraits and candids, including NASA photo, Air Force Class photos; Neil Armstrong portraits and candids, including NASA photos, President Hovde, Water Eggee Training, brother Dean Armstrong, Gemini training, Gravity training, as youth in band, honorary doctorate (1970), at Grand Prix event, AS-11 quarantine release after Apollo 11; Janet Armstrong; Nasa images from Apollo 11 crew, including moonwalk, training, launch	1950-1975	Photographs	114	BW				
93	59	58	University Groups: Alumni	NASA Images, including Gus Grissom; Roger Chaffee; Neil Armstrong; Eugene Cernan; Richard "Dick" Covey; Roy Bridges, Jr.; Jerry Ross; Charlie Walker; Michael McCulley; Mark Brown; Gary Payton; Donald Williams; 1985 Purdue Astronaut Reunion Group Photo, including Steve Beering; Loren Shriver; James Voss; Vice President George Bush with Space Shuttle Discovery and Crew, including Covey, Hauck, Hilmers, Lounge, and Nelson; John Blaha; John Casper; Guy Gardner; David Wolf; Janice Voss; Gregory Harbaugh; Mary Ellen Weber; Mark Polansky; photo of Apollo Patches, including Apollo, Apollo II, Apollo IX, Apollo XII, Apollo 15, Apollo 8, Apollo XIII, Apollo 14, Apollo VII	1961-1998	Photographs	37	BW and color				

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items					
93	60	58	University Groups: Alumni	Alumni photographs, some with captions, especially NASA related, including Apollo 9 Commander McDivitt with Charles Mathews, Wernher von Braun, George Mueller, Samuel Phillips; Neil Armstrong with Eugene Cernan, interviewers; Eugene Cernan and President Hovde; Edwin "Buzz" Aldrin prior to Apollo 11 launch; Robert Schwinghamer; President Nixon briefed on results of Apollo 11, including Thomas Paine; Apollo 11 return from moon, including commemorative Plaque, helicopter at Pacific Recovery Area, astronauts about USS Hornet, including Aldrin, Armstrong, Collins; Apollo 11 Images on Moon, including EASEP components, astronaut footprints, lunar activities, lunar terrain; Before Apollo 11 launch, including astronauts, Spaceport Area visitors and campers, launch scenes at press site, engineers in Launch Control Center, technician Joe Schmitt with Michael Collins; Apollo Prime Crew, including Virgil Grissom, Edward White, and Roger Chaffee; New York Times and Indianapolis Star headlines from Apollo 11 Moon Landing; Jan Armstrong; 1966 Gala Week events, including Neil Armstrong, [also Senator Birch Bayh, Pres. Hovde, Neil Armstrong, and Governor Edgar Whitcomb at press conference, January 1970], G. E. Mueller, Grissom Hall and Chaffee Hall dedication 1968, Grissom and Chaffee widows, families, and guests, John Dunbar; Neil Armstrong photos, including Gemini and Commonad Pilot, NASA portraits, with NASA aircraft, Eth "E.B." Baugh [Secretary of Alumni Association], George Hawkins and Bruce Reese, teaching at chalkboard, with C.P. Smith, greeting fans during 1966 Gala week after Gemini, Joe Schmitt and Michael Collins prior to Apollo 11 launch, Aeromodelers Club phot and fraternity (Phi Delta Theta) photo for Debris	1955-1970	Photographs, contact sheets, negatives and paper	118 photos, 7 contact sheets, 3 negative	BW				
93	61	60	General Miscellaneous/Historical	Historical photos of campus, some with board backing, including 1903 from University Hall; Fowler Hall with Chinese Yellow-wood tree; drive from Executive Building [aka Hovde Hall] to Fieldhouse; 1903 view from Ladies Hall, including magnolia tree; Construction of H-4 [McCutcheon] Residence Hall. Original Pharmacy Building (1956) [aka Geosciences Building and Schleman Hall]; Cary Hall circa 1930s; installing new FN Tandem Van de Graaff Accelerator April 1968; Beta Theta Pi fraternity House (1943); looking from Ladies Hall - North 1903 Purdue Campus scenes; early Heavilon Hall; Purdue University 1900 sketch; Smith Hall; Home Economics building and Class of 1924; Recitation Building and University Hall (1956); Fieldhouse, circa 1950s; 1876 view of Campus; Looking down State Street towards Lafayette, including Levee Plaza, Triple XXX, Sears (circa 1980s); rendered sketch of proposed Nursing and Allied Health Science Building; Ladies Hall and Original Pharmacy Building, including old pump, carriage, cat. Boiler and Gas House [aka Engine House](circa 1894, Engineering Lab fire); Historical Campus Panorama, including Heavilon Hall; Campus Buildings 1954; Students between classes 1960; Campus visitors in front of Hovde Hall [Executive Building]; Crowd in Lambert Fieldhouse circa 1940	1876-1968	Photographs	26	BW				
93	62	60	General Miscellaneous/Historical	Study room of Library (1922); WBAA as infant station, R. V. Achatz at controls, QTH [location] Old EE Building where Present Chemistry Building Stands; Recitation Building details; children and Purdue Pete in bounce house; man with Temperature Regulator; 1967 excavation for linear accelerator; installation of accelerator; Mechanical Engineering building; architecture/design drawing; construction of [Heine] Pharmacy Building; Krannert Building; Construction of Materials and Electrical Engineering Building [aka Engineering and Geoscience Facility]; man with airplane engine; Richard "Rich" Grace; Chemistry Lab circa 1950s; Original Class of 1897 Gates in snow; "Hello Walk" image, including University Hall, Electrical Engineering building, State Street [also called State Road]; Stone Era Class gates and Trolley Car; Beering Hall [aka LAEB] and Loeb Fountain; March 1934 State Street scene; Hall of Music sculptures; brick sidewalk detail; Hovde Hall and Engineering Fountain; Top of Chauncey Village Hill (circa 1912) with streetcar and horse carriages, including Clark Bro's Grocers, Bookstore, Snoody Bros. Drugs; Stewart [Memorial] Center; Parade of Classes (1958), including 1894, 1898, 1902, 1907; Installation of Engineering Fountain; Prof. Sidney Stahl in 1977 snow storm with cross-country skis in front of Hovde Hall; Slayter Center with reflecting pool; Looking west on State Street from Marsteller for 1924 Semi-Centennial; 1958 Flaggpole; First Power Plant; Library Room, University Hall [circa 1900; Campus Buildings circa 1876; 1939 construction of west wing of Chemistry addition with Heavilon Hall; Early Campus 1876-77 winter; campus circa 1877; Class of 1894 Memorial Fountain; Original Oval, including early Power Plant and Heavilon Hall; Purdue Mall during construction 1958; campus buildings circa 1915-1920; burned Engineering Building; Hovde Hall [Executive Building] and Loeb Fountain; Class of 1930 Gates and Power Plant; Original Purdue Library in snow 1927; Horse pulling snow plow; Memorial Gymnasium; Fowler Hall in snow 1927; crowd in Memorial Mall, circa 1920s-1930s; Agricultural Engineering building; Agricultural Hall 1956; Union entrance; campus horizon panorama, including original water tower; campus buildings circa 1900; sign for Union Cafeteria c 1920s-1930s; Campus buildings 1880; aerial map of campus circa 1927; original Heavilon Hall and Power Plant; Crowd on State Street with Trolley; Smith Hall; Cary Quad circa 1933; sketch of Memorial Gymnasium; Campus buildings 1900 and 1905; Agricultural Chemistry Building 1956 [aka Biochemistry Building]; Knoy Hall 1987; relief sculptures; Hello Walk and	1876-1989	Photographs, Contact Sheet	115 photos, 1 contact sheet	BW

93	63	60	General Miscellaneous/Historical	State School for the Deaf; Executive Building [aka Howde Hall]; Farm House Residence 1896 [Old Russell Farm House, corner of State and Russell Streets; President W. E. Stone Residence on Grant Street; Interior New Pharmacy Building Library; Members of Class of 1887 laying cornerstone of Purdue Fieldhouse 1937 (John McCutcheon, George Ade, L. A. Downs); portraits of John McCutcheon; Martin and Patty Jischke; E. C. Elliott in his new office 1937; Vending machines circa 1950s; student scenes, including PURDUE sweatshirts, 1967 -1968 Miss Purdue University Pageant Queens, coeds [aka females] in motors class 1942, students with EE building in distance and RCA Victor electrical 1943, group in agronomy lab 1938 taken for Prof. Lefforge, man in P sweater, Buck Payne and Bill Hudson at football game with big cigars 1940, smoke session behind Mechanical Building 1922, crossing campus, coed home ec student with taxi 1924; Rube Goldberg contest team; children, including minorities; John Gantz, Personnel Administration; Wabash River trail 1904; Thermophysical Properties Research Center 1968; McClure Park Industrial Research center; office of Exponent Editor 1911; Memorial Fountain details; students outdoors on campus, candid, including Phoenix sundial, Loeb Fountain, bookstore, Stone Lions, rain, snow, Village Book Cellar, Arth Drugs, bikes, Engineering Fountain, wheelchair; Chasing greased pig at football game versus Wabash College 1922; H.B. Abbott and R. T. Hamilton with old keys collected in scrap metal drive for war use 1942; Posters for Applied Arts 1931; man sitting in ginkgo leaves 1987; female student on rock wall Outing Club; classroom scenes; students in dirt pile pit; roller skaters circa 1980s; State street traffic, including Levee Plaza and Sears building; children in classroom and library	1896-1988	Photographs, Contact Sheet	64 photos, 2 contact sheets	BW and color				
93	64	60	General Miscellaneous/Historical	December 1973 record snowstorm, campus buried in snow, including University Hall, Memorial Union, Howde Hall, Memorial [Stewart] Center	Dec-73	Contact Sheets with accompanying negatives	2	BW				
93	65	multiple	multiple - organized by date	January student scenes, including snow, book rush at Deac's Bookstore, Chauncey Village; Veterinary Science Video equipment	Jan-74	Contact Sheets with accompanying negatives	2	BW				
93	66	multiple	multiple - organized by date	Purdue Pete art; Oval Room dining	Feb-74	Contact Sheets with accompanying negatives	2	BW				
93	67	multiple	multiple - organized by date	Soil judging; 1974 Grand Prix practice scenes; Food lab scenes, protein substitutes; EE Class Calculators; 1974 Grand Prix scenes, including winner	April 1974	Contact Sheets with accompanying negatives	5	BW				
93	68	multiple	multiple - organized by date	Students splashing in Memorial Union reflecting pool; Dom Dow counseling shots	May-74	Contact Sheets with accompanying negatives	2	BW				
94	1	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Original Heavilon Hall [aka Mechanical Building], including construction, demolition, fire; Purdue Campus 1905; rebuilt Heavilon Hall [1940?]; demolition of rebuilt Heavilon Hall, including "save" graffiti; new (1959) Heavilon Hall; Original Library; Old Heavilon Hall tower; article of clock restoration; clock tower gear; Heavilon Hall 1950; Fowler Hall and Heavilon Hall Tower; Purdue Campus Oval; 1903 Purdue Mechanical Building [aka Heavilon Hall] from southwest; Ladies Hall [aka Broadway Hall], Agricultural Hall, Farm Agricultural Experiment Station, and Fowler Hall under construction 1902-1903; foundation of demolished Fowler Hall 1954	1894-1954	Photographs, Newspaper Clipping	50 photos, 1 article	BW				
94	2	60	General Miscellaneous/Historical	[33, University Administration: President's Office] photos of Frederick L. Howde, including candids and portraits; 1958 Memorial Center dedication (Stewart Center), including R.B. Stewart, Walter Scholer, Sr., and Bishop Richard Kirchhoffer [see Box 95, Folder 5], as well as Karen Sorenson; Howde at dinner following performance of "Carmen" by Metropolitan Opera Company 1952; Centennial Time Capsule and Marker 1970 with Earl Butz, Walter Thomas, and Jim Clapper; with William R. Leber, G. A. Ross Award 1960; in Oxford with Sir Harold Thompson 1957; with John Moriarty; with Priscilla, greeting guests; Howde walking with John Moriarty, Libraries Director, and student; June 1971 Retirement honoring Howde with Richard Nixon; with Neil Armstrong; with President of Brazil, Edson Potosch Magalhaes; with Joel Bernstein and Dr. D. Woods Thomas; with Maurice Knoy, president of Board of Trustees 1968; with vice presidents, including Paul F. Chenea, Frederick Andrews, C. H. Lawshe, Lytle Freehafer, and Donald Mallett; with Kenneth Owen and plaque honoring Richard Owen (1969); with Herman Wells at 1951 Purdue-IU football game in Bloomington; with Eugene Cernan; President Hansen and Varro Tyler with large check donation; Entrance to Grissom Hall [aka Civil Engineering Building]; Engineering Mall	1946-1972	Photographs, Contact sheets	74 photos, 4 contact sheets	BW				
94	3	60	General Miscellaneous/Historical	[33.1, University Administration: President's Office - Commencement] Commencement photos and festivities, portraits, candids, and processions, many with captions, including minorities and disabled persons; Commencement Parades 1903, 1929, 1933, 1934; John Hillenbrand and President Elliott, 1937; President Elliott with former Governor M. Clifford Townsend and David Ross, 1937; Honorary degree recipients, including Dean A. A. Potter, Charles Russ, Richards, President Elliott, Bruce Rogers, Dean J. H. Skinner, Governor Harry Leslie, Dean Emeritus Stanley Coulter; Honorary degree recipients awarded, 1926; graduates of class of 1942 sworn in as Navy ensigns by Captain J. C. Fremont; Fehring family, including Lynn, Theodore, Raymond, Mrs. Fehring, and William Fehring; Greg Wong with his parents, Mr. and Mrs. Bertram Wong, 1975; President Arthur Hansen with Cheryl Lynch, Michael Wells, Larry Burton (with wife Ida and son Lawrence "BJ"), Jane Harper, Sharon Short, Janet and Margaret Sheehan, Robert Dittus, Jeffrey and Steve Bolin, 1974, 1975; Graduate candidates process to Howde Hall, 1957; Margaret Witzeman, Judith Miller, and Mrs. Claire Copping Cross, 1957; baccalaureate commencement processions 1941, 1944, 1946, 1953, 1954, 1959, 1961, 1962, 1963, 1964, 1967; 1967 Commencement candidates and audience; 1964 commencement parade; 1958 Big Ten Medal Winner for scholastic and athletic proficiency Royce Stroud; 1959 winner of G. A. Ross prize, Weldon G. Annable; Sherman Lyon with parents, 1961; David Quick and Phyllis Johnson Quick, husband and wife graduates, 1961; Thomas Kotoske, 1963; First commencement at Purdue Calumet campus, 1967, with President Howde (aka Purdue Northwest); Joe Sexson and wife, 1956; Ruzha Pfeffer, 1960; Fort Wayne campus commencement, 1968	1903-1975	Photographs	75	BW				

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
94	4	60	General Miscellaneous/Historical	[12.4, Academic Schools: Engineering - Electrical Engineering: from original folder--"Electrical Engineering headshots from their grad book."] Portraits and candid photos of faculty and staff, and grad students, including Leah Siegel Jamieson; James Cooper; A. Kaplan; Avinash "Avi" Kak; Clare Duane McGillem; Antti Koivo; Mark Lundstrom; Oleg Wasynczuk; Dr. Wan [sp?]; George Cooper; Robert Pierret; Dr. Lin; Richard Schwartz; Paul Krause; John Lindenlaub; Rangasami Kashyap; Supriyo Datta; T. Mowbray; Stanislaw Zak; Dr. Luh; Dr. Bass; Dr. Vest; Keinosuke Fukunaga; Larry Ogborn; Dr. Shelley; Dr. [David?] Thompson; Dr. Mitchell; Dr. William Hart "Bill" Hayt, Jr.; Paul; Dr. Hwang; Dr. Veljko Milutinovic; Eric Furgason; Dr. Gallagher; Dr. Gerold Neudeck; Frederic Mowle; Gerald Heydt; Robert Gunshor; Dr. Evans; Clarence Coates; Dr. Carroll; Fritz Friedlaender; Violet Haas; Professor Silva; Dr. Fu; Philip Swain; Raymond DeCarlo; Edward Coyle; David Landgrebe; Aunon; H. Halabi; H. J. Siegel; Richard Schwartz [?] or Gerald Heydt?]; Bernd Hoefflinger; Jan Allebach;	ca late 1970s - early 1980s	Photographs	61	BW					
94	5	60	General Miscellaneous/Historical	[34, University Administration: Campus Development and Physical Plant (Buildings) - University Hall] Library, campus scenes, commencement procession, Hello Walk, woodcuts, including Purdue Winter 1876; University Hall Library; 1889 campus with trolley; procession around Mall at University Hall; old campus postcard circa 1880; University Hall Spire and Beering Hall; University Hall and John Purdue grave; University Hall in ice storm; University Hall 1896 [aka Main Building]; woodcut of campus circa 1877; students on "Hello Walk" 1935; University Hall details and full building photos (including windows with awnings); University Hall 1903, covered in ivy, in the snow; University Hall 1875 and Campus circa 1900-1910; University Hall 1969; University Hall in snowstorm circa 1988, in fog 1987; with person in wheelchair; at dusk; buildings on west side of Memorial Mall; sketch of University Hall; back of University Hall including Loeb Fountain	1875-1988	Photographs and one sketch	78	BW, 1 photo in color					
94	6	60	General Miscellaneous/Historical	Booth Tarkington portraits	1894	Photographs	4	BW					
94	7	60	General Miscellaneous/Historical	[12, Academic Schools: Engineering] early Agricultural Engineering Building; Civil Engineering Building; evening welding class 1923; Planning Committee for 1949 Road School; Harry Creighton Peffer [corrected in folder 8 as "William Kendrick Hatt"]; Reinhardt Schuhmann, Jr. 1959; George Hawkins; Yeram Touloukian; John Hancock; Harold "Hal" DeGroff; Lisa Reinholt; photo by Dan Engelke; William B. Cottingham; 1930s Electrical Engineering Building; students in Iron Working Lab 1894, including Harris Corliss Steam Engine (before the fire); June 1972 lunch including Prof. Ruddell Reed, Jr. with President Hansen; sketch of proposed new Mechanical Laboratory [aka Old Heavilon Hall]; George Hawkins with Earl Honeywell; students working in lab of Mechanical Engineering Building 1958; Students at work in Electrical Engineering Power Laboratory; old photo of Engineering students; Mary Sagen [sp?], administrative assistant to deans of engineering; H. L. "Harry" Solberg 1954; Dean George Hawkins, 1954, 1959, 1967; Robert W. Fox; Broge Golding [sp?]; Maurice Zucrow; Andrey A. Potter; William Fontaine, 1972; Engineering Faculty Mr. Wiley, Harry Solberg, R. Norris Shreve, D. D. Ewing, A. A. Potter, William Knapp; K. B. Woods; Roscoe George and Elias Sabbagh circa 1960-1970; Prof. Arnold [?] 1959; Maurice Zucrow 1958; H. L. "Harry" Solberg 1951; John Hancock 1966; Warren Howland; Staff golf league, including Alfred Dawson, James Merimee, James Thatcher, Robert Smith, Thomas Morrissey, Jim Clapper	1894-1972	Photographs	75	BW					
94	8	60	General Miscellaneous/Historical	[12.3, Academic Schools: Engineering - Civil Engineering] Civil Engineering photos, many with captions or descriptions, including researchers and labs, including Leonard Wood and William Worthington discussing oldest research machine at Purdue being donated to Smithsonian Institute; B. B. Lewis 1962; William Kendrick Hatt; "Towser" Moses C. Stevens, circa 1887; Civil Engineering Building entrance [aka Grissom Hall], and with dirt Grant Street circa 1906; students in class; grad student J. H. Moore conducting experiment in Structural Engineering Laboratory; Grissom Hall [aka Civil Engineering Building] 1971; Prof. Charles Hutton of Calumet Regional Campus [aka Purdue Northwest] 1964; Scholer sketch of Civil Engineering Building 1962; 1963 civil engineering faculty; Civil Engineering Faculty 1954; Civil Engineering Building exterior photos, including students, 1951 snow; William "Bill" Kelleher with Flocculation mixer in Sanitary Lab; Civil Engineering Waste Conference; Civil Engineering Grad Students Thomas Matsuura and Dale Bailey with Kelsh Photogrammetric Plotter, 1958; Dr. Yeh, 1956; Krouse Purdue Fatigue machine 1958; Hydromechanic Laboratory, 1963; Waste Water Laboratory including George Prior, Frank Schaumburg, Ronald Wukasz, Frank Woodward, 1965; Leonard Wood and William Worthington with Purdue's oldest research machine, 1987; Engineering classroom lab, early years; Members of 1902 class using new machine to test concrete beams, including Alva Kemmer and Harry Gormin; Testing glass bricks 1935-1937, taken for Prof. Crepps; Testing Asphalt January 1938, taken for Dr. Hatt; Civil Engineering students surveying road for widening October 1933; Testing Prefabricated house section Dec. 6, 1946, for R. E. Mills; Vehicle stuck Hendricks County 1920; EE Lab with students and "Louisiana" circa 1923; Documents and Reports, including article from Purdue Engineer regarding Engineering Faculty and Press Releases, Charles Ellis and Golden Gate Bridge article, James Alleman, diagram and ad for testing machine	1886-1971	Photographs and Paper	82 photos and 30 pages	BW

			General Miscellaneous/Historical	[12.4, Academic Schools: Engineering – Electrical Engineering] EE photos, many with captions or descriptions, including Electrical Engineering Class of 1924; Electrical Engineering Building; C. F. Harding and A. A. Potter laying cornerstone for new Electrical Engineering Building 1924; Dr. C. Francis Harding; sketch (1995) and photo (1969) of Electrical Engineering Building; Gil Rainey; Laurie Rapport's MIRAR miniature video camera; Dave Allendorph's Hi Style Stapler; Eric Berhenfeld's ergonomic multi-format video camera; Gus Podd's personal video camera invention; Sue Becher's micro-cassette Revica video camera; Tom David with industrial design class and video camera; Ron Geyer and Bill Sefton with home video center; Ron Geyer, Stephanie Stevens, Jill Weaver, and Dave Perigo; Sue Becher demonstrates video camera; Eric Hamilton, David Kunitz and Laurie Rappaport; electric vehicle; Professor C. Francis Harding									
94	9	60	General Miscellaneous/Historical	[11.9, Academic Schools: Agriculture – Entomology] Entomology Hall [aka Agricultural Hall, Pfendler Hall of Agriculture] 1970, early undated, c 1980s	1924-1995	Photographs and Paper	30	BW					
94	10	60	General Miscellaneous/Historical	[11.5, Academic Schools: Agriculture – Biochemistry] Scott Abney and family at PRF home 1968; Agricultural Chemistry Building [aka Biochemistry Building]	1970, n.d., 1980s	Photographs	6	BW					
94	11	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Grissom Hall [aka Civil Engineering Building] photos, including exteriors 1969, 1971, program for dedication 1968 and reserved section ticket	1968	Photographs	2	BW					
94	12	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Chaffee Hall exteriors 1968-1969, including program for dedication	1968-1971	Photographs and Paper	7 photos and 1 program	BW					
94	13	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Chaffee Hall exteriors 1968-1969, including program for dedication	1968-1969	Photographs and Paper	2 photos and 1 program	BW					
94	14	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Chemical and Metallurgical Engineering Building [aka Chemical Engineering Buildings, Forney Hall] exteriors, 1958 (CMET), with Loeb Fountain and Physics Building, 1962	1958-1962	Photographs	2	BW					
94	15	60	General Miscellaneous/Historical	[12, Academic Schools: Engineering] exterior of Engineering Administration Building, 1973; first television broadcast at Purdue in home of Professor C. F. Harding, with Professor Neim and Professor George, 1932	1932, 1973	Photographs	2	BW					
94	16	60	General Miscellaneous/Historical	[12, Academic Schools: Engineering] Engineering photos, including researchers in the lab; James Norton, Robert Heath, Kenneth Porter, H. H. Remmers, Angelo Belfatto, William LeBold in 1957; Noel Duerden interviewing; J. J. Davis 1954; D. D. Ewing 1954; Dr. H. H. Remmers; Dean Knapp 1954	1954-1960	Photographs	8	BW					
94	17	60	General Miscellaneous/Historical	[14, Academic Schools: Consumer and Family Sciences] Home Economics Administration photos, including Peg Conte; 1924 Home Economics class in cafeteria kitchen for course in Team Room Management; Gladys Vail; washing machine demonstration in 1921	1921-1924	Photographs	4	BW					
94	18	60	General Miscellaneous/Historical	[14, Academic Schools: Consumer and Family Sciences] Reamer Club members Phil Anderson, Bruce Creager, Ed Dwyer, Paul Schlender, Stanley Kingma, Lon Carter, Dave Hastings, Don Mead, Chester Biddle, E. B. Baugh, and T. R. Johnston with R. B. Stewart after reestablishment and dedication of the Old Pump 1958; Home Economics class; CDFS daycare 1988; al fresco painting; Ladies' Hall; Home Economics Building [aka Matthews Hall] exteriors, including undated, 1961, 1963, 1969 and Betty Lamp 1958; Professor Margaret Beeman; Dean Gladys Vail; Institutional Management students arranging hors d'oeuvres 1965; cafeteria dining scene; interior dining room; male students in kitchen; General Office in Home Economics Building; Eliza Fowler Hall in Snow; Students in Home Economics luncheon laboratory for Institution Management; Child Development and Family Life Building 1969 [aka Family Life and Nersery No. 1]	1958-1988	Photographs	32	BW					
94	19	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Memorial Gymnasium, some mounted, exteriors 1969, undated, indoor event 1930-1931 (Don't recognize event)	1930-1969	Photographs	6	BW					
94	20	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Stanley Coulter Hall exteriors, undated [aka Biology Building] with Stone Lions Fountain, 1969	1969	Photographs	3	BW					
94	21	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Old Pharmacy Building exteriors, 1969-1970, in snow	1969-1970	Photographs	7	BW					
94	22	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Recitation Building exterior, 1963	1963	Photographs	1	BW					
94	23	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Memorial Center [aka Stewart Center] photos, particularly Land Grant Mural photos, including R. B. Stewart, J. H. Moriarty, C. I. Calkin, artist Eugene Francis Savage, architect Walter Scholer [dedication 1961]; photos of the mural 1961, 1972	1961-1972	Photographs	6	BW					
94	24	60	General Miscellaneous/Historical	[22, Continuing Education, Regional Campuses] photos of Purdue North Central, including sketch of proposed building (Library Faculty/Student Building), 1972	1972	Photographs	7	BW					
94	25	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] Campus views, mostly Ross-Ade aerials, 1930-1935; Ross-Ade stadium and Cary Quad aerials, 1971, vs. Notre Dame football 1955 with Marching Band; early 1924, 1961, 1964, circa 1920-1940, 1930-1931; Steam Shovel excavating for Ross-Ade Stadium, early 1920s, Ross-Ade 1927–Campus aerials, gameplay, 1920s excavation; football action and press box scenes, circa 1959	ca. 1920s-1971	Photographs	20	BW					
94	26	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] interior and exterior photos of Mackey Arena, including fisheye lens 1970, 1971, 1967, 1965-1967 construction	1965-1971	Photographs	8	BW					
94	27	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] exteriors of Lambert Fieldhouse [aka Fieldhouse and Gymnasium for Men], circa 1940s, 1964, 1971; 1937 construction of fieldhouse;	1937-1971	Photographs	10	BW					
94	28	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Cary Quadrangle Residence Halls exteriors, 1969, undated, circa 1930s, aerial view 1947, aerial view with snow 1960	1930s-1969	Photographs	10	BW					
94	29	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos of Flex Lab I and II, 1969	1969	Photographs	2	BW					
94	30	60	General Miscellaneous/Historical	[22, Continuing Education, Regional Campuses] photos of regional campuses; sleeve packet of negatives 1954; Calumet Center [Purdue Northwest] sketch rendering of proposed office and classroom building 1971; Michigan City main building; Mary Holtman and Carl Elliott of Calumet Campus, 1965; IUPUI students?; Calumet Campus classroom 1964; students in Barker Center on Michigan City campus; North Central Campus, Westville, 1967; Purdue University Fort Wayne campus 1968	1954-1971	Photographs	13 photos and 10 negatives	BW					
94	31	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] photos and details of Howde Hall [aka Executive Building], 1951, 1930s building construction	ca. 1930s-1951	Photographs	7	BW					

Box #	Folder #	Category Number	Category Title	Contents	Date	Material Type	Number of Items						
94	32	60	General Miscellaneous/Historical	[34, Physical Plant (Buildings)] interior and exterior photos of Memorial Center [aka Stewart Center], including new Fowler Hall; Visitor Information booth; 1958 interior and exterior construction, 1957; maintenance of reflection pond; students in lounge area; 1958 exterior; West Entrance 1961; rendered sketch of proposed new Science Building and Heavilion Hall; newly constructed Memorial Center [Stewart Center] 1957, 1958; west entrance of Memorial Center from inside; foyer of Stewart Center [Memorial Center]; Memorial Center [Stewart Center] construction from aerial, surrounding Old Library 1956-1957; construction of new unit of Purdue Memorial Union, early undated; Co-Rec Gymnasium 1964	1956-1961	Photographs	32	BW					
94	33	60	General Miscellaneous/Historical	[23, Continuing Education] calendar planning; people in Memorial Center [Stewart Center]; Adult Education 1957; 1956; University Extension Administration office; Adult Education 1957; Educational Reference 1958	1956-1967	Photographs	8	BW					
94	34	60	General Miscellaneous/Historical	[13, Academic Schools: Graduate School] photos of office staff and theses; Dean E. C. Young meeting with graduate students, 1953	1953-1957	Photographs	5	BW					
94	35	60	General Miscellaneous/Historical	[17, Academic Schools: Pharmacy, Nursing and Health Sciences] Student Health photos, including patient in wheelchair and physical therapy; Student Health Center; sketch of proposed Student Health Center	circa 1960s	Photographs	4	BW					
94	36	60	General Miscellaneous/Historical	[15.7, Academic Schools: School of Liberal Arts – Physical Education, Health and Recreation Studies (Men)] various physical education class activities, many with captions, including with youth; Mike Oesterle and Don Jepsen, 1959; Michael Shelley, Steve Bowman, Jim Hurst, and Bruce Hutchings; David Peterson, Paul Manley, and Fred Makry; Roland DeYoung 1967 wrestling, archery, gymnastics, volleyball, calisthenics, swimming, baseball, soccer	1954-1967	Photographs	12	BW
