

Melvin Guy Mellon papers

Box 1

- Papers – correspondence, notes, misc. (file boxes 2-4)

Box 2

- Papers – correspondence, notes, misc. (file boxes 6-7 (2 #6s))

Box 3

- Papers – correspondence, notes, misc. (file boxes 8-10)

Box 4

- Papers – correspondence, notes, misc. (file boxes 12-14)

Box 5

- 4 Binders – academic papers, Wiley to Wetherill Labs, Awards, Brown lab

Box 6

- 4 Binders – book reviews, correspondence, clippings; Recollections 1919-1962, scrapbook; “My Threescore and Ten Purdue Years,” vol. 1; “My Threescore and Ten Purdue Years,” vol. 2

Box 7

- 3 Binders – collected publications of MG Mellon, 1917-1941, 1942-1951, 1952-1986
- Bibliographies and publications by others

Box 8

- 3 binders – Purdue’s Chemical laboratories, 1873-1973 (plus photo copy); Recollections, 1962-1989 (post-retirement scrapbook); interview transcript, Mellon by William Jensen and Derek Davenport, 7/12/1990

Box 9

- Mellon’s dissertation and publications, personal ledger, piece about his wife, Collected Papers of MG Mellon (9 vols.), Chemical Publications bibliography, plans for new Chemistry Building

Box 10

- Unpublished manuscripts; “Methods of Quantitative Chemical Analysis;” copies of Mellon’s dissertation; 1917 bibliographic publication; Analytical Chemistry, Chemistry Education and Chemical Literature award, 1963; list of publications, 4 copies of “Chemical Publications, their nature and use” plus manuscript; 4 copies of “Some Trends in Planning Chemical Laboratories;” 3 copies of “Searching the Chemical Literature”; “colorimetry for chemists”

Box 11

- University service award; Crawford County newsletter article on Mellon, fall 1996; 6 different printings/editions of "Chemical Publications, Their Nature and Use"; 7 printings/editions of "Quantitative Analysis Record Book"; "Analytical Records"

Box 12

- Analytical Absorption Spectroscopy in English and German; Wetherill Laboratory Note Book; Wetherill biography; German chemistry texts; memoir manuscript, "My three Score and Ten Years at Purdue"; correspondence, 1932-1990; papers on Mellon's 90th birthday; papers on the chemistry building; 3 vols. of miscellaneous papers, 1917-1966; 5 vols. of Mellon's work on - colorimetry

Box 13

- 2 folders photos, Mellon and professional/academic events and awards; Mellon's 89th birthday papers; handwritten notes and papers, re: publications; tapes/transcripts of 1990 oral history; bound 1972 oral history, interviewed by Robert Eckles; manuscript and galley proofs for 4th edition of "Chemical Publications"; Galley proofs for 3rd edition of the same

Box 14

- 5 binders – Correspondence with Donald Jackson, editor for McGraw Hill; plans and photos for Purdue Chemical Laboratory II; correspondence 1978-1984; notes to editor for "Chemical Publications"; "CP" fifth edition proofs

Box 15

- Album of correspondence, 1983-; box of misc. publications;

Box 16

- Folder of photos/docs re: chemical facilities (not all Purdue); working papers; chemistry in liberal education;

Box 17

- Photos and slides; department material; notes & clippings on department histories; misc. Purdue historical booklets; Department archive plans and materials
- 1955-2006

Box 18

- Chemistry library record and circulation records; library statistics; lecture notes; early campus buildings photos;

Box 19

- Faculty clippings/bio materials; info on faculty publications; big files on Herbert Brown, Wiley

Box 20

- NSF proposal (6 vols.) 1964; bibliographic filadex; box of misc. publications;

Box 21

- Slides; Henry Hass materials; Brown Symposium VHS

Box 22

- Teaching slides;

Box 23

- Teaching slides and historical photos;

Box 24

- Chemistry building plans; photos of chemistry building construction; grant applications
- Circa 1970

Box 25

- Building plans from other institutions

Box 26 - Mellon correspondence and photo scrapbook - 1919-1962, various doc of Sci diplomas (Allegheny, Purdue, and Mount Union), school notebook, correspondence notebook 1962, lab manual 1910-1911,

Box 28 - Henry B. Hass 1984 50th anniversary patent plaque, color harmony books, Mellon hard hat, honorary reamer "R", color palette neck tie,

Box 29 - lab manuals, class record 1931, conference proceedings, "Quantitative Analysis" signed copy, bibliographic notecards, notebooks, obit/Memorial booklet,

Box 30 - framed photos and documents, rolled diplomas

Box 31 - photos and slides 1980s-1990s,

Box 32 - photos

Box 33 - medals, artifacts, memorabilia
