

20171130

**Preliminary Inventory**

**Box 1- Circa 2001-2012**

Folder 1	Scientific publications and correspondence regarding National Science Foundation
Folder 2	Commencement scripts, reception/dinner programs, reports, and publications
Folder 3	Meeting/reception invitations. Correspondence and publication regarding National Science Foundation.
Folder 4	Publications, symposium programs, post cards, commencement scripts, and reception invitations.
Folder 5	Population Vulnerability to Biannual Cholera Outbreaks (included are a draft with RRC edits, along with a published version)
Folder 6	MSS Revised Emerging and Re-Emerging Infectious Diseases (by Bruce A. Wilcox and Rita R. Colwell)
Folder 7	Committee on Creation of Science-based Enterprises in Africa meeting program, publication, and policy documents (associated with Michael Greene)
Folder 8	Originally titled "Michael Greene (NAS)". Contains publications, workshop reports, correspondence, and draft proposals.
Folder 9	Research and correspondence on Cholera outbreaks
Folder 10	Asian Conference on Diarrheal Diseases and Nutrition (ASCODD) conference programs, details, and travel expenditures.
Folder 11	Correspondence from the Embassy of Bangladesh and Asian University for Women. Also included is an NIH grant proposal.

**Box 2- Circa 1989-2012**

Folder 1	Publication and notes on Global Alliance Against Cholera, along with Ocean Studies Board Acceptance Form and BioCOI Form
Folder 2	Correspondence, CDC conference programs, symposium details, and draft agendas.
Folder 3	Faxes of Cholera research report drafts
Folder 4	Correspondence and copies of data analysis reports and publications on Cholera and related diarrheas.
Folder 5	Correspondence on UMCP laboratory meetings.
Folder 6	Correspondence regarding Microsoft International and reports on NOAA Distinguished Scholar in Oceans and Human Health
Folder 7	Correspondence regarding the Safe Water Network, Japan External Trade Organization (JETRO) conference, and research publication editing.
Folder 8	Correspondence regarding Haitian Cholera research
Folder 9	Correspondence and publication on Bengali Cholera outbreak, along with correspondence on the Heinz Center.
Folder 10	Correspondences on various topics and organizations.
Folder 11	University of Tokyo guidebook and correspondence and publications on Cholera research.
Folder 12	Correspondence, notes, and publications on RIKEN Advisory Council (RAC).
Folder 13	Correspondence, notes, and publications regarding the University of Texas at Austin and the Association of American Geographers (contains a CD-Rom)
Folder 14	Correspondence and publications from various organizations
Folder 15	Correspondence, notes, and publications regarding the Scientists and Evangelicals retreat (contains a CD-Rom).

Folder 16	Correspondence, notes, and publications associated with Giorgio Bernardi, Roger Thalmann, and Oliver (Buck) Revell.
-----------	---

### Box 3- Circa 1981-1998

Folder 1	Correspondence, publications, and shareholder's report from Genex Corporation, along with notes and publications regarding the Genetics Institute
Folder 2	Correspondence regarding several lawsuits and the National Sanitation Foundation
Folder 3	Purchase orders and correspondence from Lockheed, Trident Engineering, John Wiley & Sons, Inc., and Walcoff & Associates, Inc., along with a set of court case minutes.
Folder 4	Correspondence, publications, and personal notes regarding Texas Biotechnology Corp. and Jeff Young of Pacific Seafood Industries
Folder 5	Further correspondence, meeting agendas and minutes, and auditing/lawsuit documentation regarding Texas Biotechnology Corp.
Folder 6	Further faxes, memorandums, and Security and Exchange Commission correspondence regarding Texas Biotechnology Corp. (1)
Folder 7	Further faxes, memorandums, and Security and Exchange Commission correspondence regarding Texas Biotechnology Corp. (2)

### Box 4- Circa 2001-2012

Folder 1	Notes and correspondence regarding Ganesh Jayaram, Larry Giglio, Ronny Gal, John Forbis, and Canon Life Sciences USA, Inc.
Folder 2	Further faxes, notes, and correspondence regarding John Coleman and Canon Life Sciences USA, Inc.
Folder 3	Publications, correspondence, and notes regarding Waseda University, Canon Life Sciences USA, Inc. and Cushman & Wakefield
Folder 4	Multitude of correspondences, invoice statements, and receipts
Folder 5	Correspondences, business plans, and Power Point slides regarding 454 Life Sciences Corp., Yamato Scientific America Inc., Canon Life Sciences USA, Inc., and Idaho Technologies, Inc.
Folder 6	Notes, travel expenses, correspondences, and consulting agreements regarding Canon Life Sciences USA, Inc. and Hogan & Hartson, L.L.P.
Folder 7	Travel itineraries, notes, meeting agendas, and publications regarding a multitude of corporations.
Folder 8	Publications, correspondences, phone plan documentation, and resumes.
Folder 9	Correspondences, notes publications, resumes, and faxes regarding Canon Life Sciences USA, Inc.
Folder 10	Resumes, correspondences, notes, and a patents list.

### Box 5- Circa 2002-2016

Folder 1	Notes, manuscript drafts, correspondence, and publications relating to Cholera research (1)
Folder 2	Notes, manuscript drafts, correspondence, and publications relating to Cholera research (2)
Folder 3	Manuscript drafts and correspondences on Cholera research.
Folder 4	Correspondences, submissions to Scientific American, manuscript drafts, and publications on Cholera research and clean water resources
Folder 5	Correspondences, publications, and publication reviews

Folder 6	Correspondences, manuscript drafts and reviews, notes, and publications relating to cholera research, along with theater ticket stubs, boarding passes, correspondences, and publications relating to Alaskan travel
Folder 7	Publications, notes, and correspondences relating to various conferences, scientists, the National Medal of Science, the National Science Foundation, and other awards and organizations.

#### Box 6- Circa 2005 - 2014

Folder 1	Travel expenses and itineraries, passport and visa applications, notes, correspondences, and publications related to terrorism and foreign policy (*contains digital media, along with Colwell's banking info, SSN, birth and marriage certificates, and other sensitive info*)
Folder 2	Travel receipts, correspondences, publications, meeting agendas and report drafts, and notes relating to south-eastern Asian travel (*contains copy of Colwell's passport and other sensitive info*)
Folder 3	Correspondences, publications, visa applications, travel expenses and receipts, meeting minutes, meeting itineraries, and notes relating to the State Department, Islamic policy and relations, and south-eastern Asian travel (*contains some sensitive info*)
Folder 4	Notes, meeting itineraries, travel visa, visa applications, action plans, travel expenses and receipts, correspondences, and publications relating to south-eastern travel (*contains copy of Colwell's passport, banking info, and other sensitive info*)
Folder 5	Travel expenses and receipts, notes, correspondences, meeting and travel itineraries, and publications relating to south-eastern Asian travel.
Folder 6	Publications, notes, correspondences, meeting itineraries, and meeting expenses related to south-eastern Asian travel.

#### Box 7- Circa 2003 - 2012

Folder 1	Publications, memorandums, correspondences, and meeting itineraries related to climate science, the National Research Council, and other scientific organizations.
Folder 2	Publications, correspondences, manuscript drafts, nomination forms, meeting minutes, itineraries, and PowerPoint Slides, notes, related to women in science, climate science, and the National Academies.
Folder 3	Publications, correspondences, manuscript drafts, meeting itineraries, notes, related to a number of scientific topics and the National Academies
Folder 4	Publications, conference schedules, notes, manuscript drafts, and correspondences related to the Intelligence Science Board and bioterrorism. (1)
Folder 5	Publications, conference schedules, notes, manuscript drafts, and correspondences related to the Intelligence Science Board and bioterrorism. (2) (*Contains Colwell's Social Security Number*)

#### Box 8- Circa 1998-2004

Folder 1	Banking records and used checks (*contains financial and other sensitive information*)
Folder 2	Income tax statements, publications, statements of earnings and leave, and correspondences (*contains Colwell's Social Security Number, along with financial and other sensitive information*)

Folder 3	Statements of earnings and leave, memorandums, correspondences, and theft reports (*contains Colwell's Social Security Number, along with financial and other sensitive information*)
Folder 4	Notes, stocks information, donation statements, memorandums, receipts, correspondence, and public financial disclosure reports relating to the National Science Foundation and other organizations
Folder 5	Receipts, bills, notes, billing statements, and correspondences related to Verizon, Mastercard, and other corporations.
Folder 6	Receipts, reimbursement forms, notes, and correspondences related to travel expenses and the American Society for Microbiology
Folder 7	Travel vouchers, receipts, notes, correspondences, and reimbursement requests (*Contains Colwell's Social Security Number and other sensitive information*)
Folder 8	Travel vouchers, reimbursement requests, and receipts related to National Science Foundation expense reimbursements

### Box 9- Circa 1998-2009

Folder 1	Correspondences, publications, insurance certificates, meeting agendas, manuscript drafts, financial disclosure reports, and life insurance information (*contains Colwell's social security number*)
Folder 2	Exemption forms, notes, receipts, meeting agendas, correspondences, publications, travel itineraries, and banking information (*contains Colwell's social security number and other personal information*)
Folder 3	Publications, receipts, and correspondences regarding travel to Qatar, Boston, Naples, and other locations.
Folder 4	Appearance agreements, travel expenses and receipts, correspondences, income records, conference agendas, notes, presentation slides, and consultant agreements.
Folder 5	Non-disclosure agreements, employment agreements, liquidation statements, correspondences, travel expenses, personal financial affairs statements, and notes regarding Italian and Finnish travel.
Folder 6	Notes, meeting agendas, travel expenses, appointment affidavits, correspondences, I-9 and W-4 employment forms, publications, video and audio release forms, (*contains Colwell's SSN and other sensitive info*)
Folder 7	Travel expenses, correspondences, meeting agendas, and research evaluations (*contains two CD-ROMs*)

### Box 10- Circa 1999-2009

Folder 1	Research surveys, notes, meeting agendas, business expense reimbursement forms, correspondences, publications, annual fiscal reports, travel expenses, and foreign travel request forms (*contains Colwell's SSN*)
Folder 2	Notes, correspondences, consulting agreement forms, memorandums, financial disclosure forms, publications, and presentation slides (*contains Colwell's SSN and banking information*)
Folder 3	Consultant and subcontract agreement forms, travel expenses, invoices, call logs, notes, W-9 financial forms, memorandums, and correspondences (*contains Colwell's SSN*)
Folder 4	Meeting agendas, notes, manuscript drafts, publications, correspondences, invoices, meeting minutes drafts, legal testimonies, conflict of interest disclosure forms, related to biointelligence and bioterrorism.

Folder 5	Annual corporation reports, notes, political lobbying documentation, conflict of interest disclosure forms, receipts, correspondences, meeting minutes drafts, grant proposals, and publications related to genomics research
Folder 6	Notes, correspondences, publications, presentation slides, memorandums, manuscript drafts, and preliminary business plans
Folder 7	Presentation slides, publications, correspondences, meeting minutes, notes, and memorandums (*Contains a CD-ROM*)
Folder 8	Notes, correspondences, meeting agendas, presentations, legal documentations, and employment agreement drafts related to Canon USA

#### **Box 11- Circa 1983-2000**

Folder 1	Publications, inaugural addresses, correspondences, editorials, reports, legal documentation, memorandums, and action plans related to the University of Maryland system and the Columbus Center of Baltimore.
Folder 2	Publications, correspondences, summary reports, and notes related to the International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B)
Folder 3	Correspondences, publications, and grant applications related to the International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B)
Folder 4	Publications, photographs, scientific publications, correspondences, and travel reports related to cholera research and Cuban science and foreign policy.
Folder 5	Publications, notes, correspondences, memorandums, meeting agendas, and travel reports related to Cuban science and travel.
Folder 6	Publications, correspondences, travel reports, scientific publications, related to Cuban science and DIVERSITAS
Folder 7	Workshop summaries, invoices, memorandums, correspondences, and scientific publications related to UNESCO

#### **Box 12- Circa 1969-2002**

Folder 1	Scientific publications, floppy discs, executive summaries, and publications related to scientific policy (*contains floppy discs*).
Folder 2	Scientific publications, correspondences, notes, routing slips, proposals, and congressional hearings related to mosquito research and the WHO
Folder 3	Scientific publications, patent documentation, annual reports, biographical summaries, contribution agreements, publications, correspondences, charts, and memorandums related to cholera research and marine biology
Folder 4	Scientific publications, journal reprints, and publications related to marine biology and genetics.
Folder 5	Publications, notes, scientific publications, and journal reprints related to microbiology and cholera research
Folder 6	Scientific publications related to marine microbiology and cholera research.
Folder 7	Scientific publications related to marine microbiology and cholera research (2).

#### **Box 13- Circa 1997-2013**

Folder 1	Publications and scientific publications related to Henry I. Miller.
Folder 2	Notes, correspondences, publications, and scientific publications related to climate change and cholera research
Folder 3	Publications, scientific publications, correspondences, memorandums, and scientific publication drafts related to various topics.

Folder 4	Notes, correspondences, consulting agreements, publications, scientific essay drafts, scientific publications, and resumes related to various scientific topics.
Folder 5	Notes, research proposals, contact lists, correspondences, short stories, publications, resumes, meeting agendas, presentation slides, research grant applications, and photographs of microscopic organisms.

#### Box 14- Circa 1994- 2003

Folder 1	Publications, meeting minutes, correspondences, scientific publications, and scientific publication drafts related to cholera research, Henry I. Miller, science policy, microbiology, and interplanetary microbes.
Folder 2	Strategic plans, scientific publications, overhead slides, annual reports, research proposals, meeting minutes, notes, and correspondence related to the International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B) and cholera and campylobacter research.
Folder 3	Scientific publications, correspondences, memorandums related to cholera research and marine microbiology
Folder 4	Notes, newspaper publications, correspondences, and scientific publications related to cholera research, malaria, climate change, the ICDDR,B, meteorology, and marine microbiology.

#### Box 15- Circa 1986- 2003

Folder 1	Publications, notes, speech transcripts, and scientific publications related to climate change, nanotechnology research, education, and governmental science policy.
Folder 2	Publications, correspondences, and scientific publications related to education, education policy, and biosciences
Folder 3	Publications related climate change, gender and minority equality, and governmental science and education policy
Folder 4	Scientific publications, publications, and presentation and workshop agendas related to microbiology and evolution
Folder 5	Scientific publications related to microbiology and genomics
Folder 6	Scientific publications and publications related to microbiology, biological warfare, and various other scientific topics.
Folder 7	Scientific publications related to infectious disease, genomics, bioterrorism, and evolution
Folder 8	Scientific publications and lecture transcripts related to scientific history, genomics, bioterrorism, and the SARS virus.

#### Box 16- Circa 1983- 2006

Folder 1	Correspondences, memorandums, contact lists, nomination proposals, and meeting agendas related to the National Academy of Sciences
Folder 2	Correspondences, travel expense summaries, newspaper articles, meeting agendas, institutional profiles, research plans, notes, presentation slides, and annual reports related to the University of Wisconsin – Milwaukee, the University of Washington, the Royal Swedish Academy of Sciences, and the Potomac Institute for Policy Studies.
Folder 3	Memorandums, publications, constitution and bylaws, fax cover sheets, newspaper articles, ballot reports, nomination proposals, correspondences, notes related to the National Academy of Sciences and the National Science Foundation

Folder 4	Nomination proposals, notes, correspondences, travel expense summaries, publications, meeting agendas, newspaper publications, related to the National Academy of Science
Folder 5	Correspondences, posters, scientific publications, publications, notes relating to Russian scientific research, cholera research, and the ICDDR,B
Folder 6	Correspondences, scientific publications, research manuscripts, and notes related to cholera research and the ICDDR,B

**Box 17- Circa 2001- 2009**

Folder 1	Committee membership invitations, reception invitations, publications, notes, meeting agendas, correspondences, bulletins, research consent forms, resumes, scientific publications, and newspaper articles related to the National Women's Hall of Fame and topics related to science and technology.
Folder 2	Notes, publications, correspondences, scientific publications and drafts, memorandums, meeting agendas, research proposals, financial reports, and constitutions related to the American Institute of Biological Sciences
Folder 3	Publications, proposals, correspondences, newspaper articles, meeting agendas, and scientific publications related to the University of Buffalo, the National University of Singapore, and climate change.
Folder 4	Notes, letters, correspondences, publications, workshop summaries, resumes, and research proposals related to various scientific organizations and initiatives
